

# NEW RECORDS.

## College Athletes Compete at Athletic Park.

Pomona Wins the Much-coveted Trophy from the Occidentals.

Lots of Excitement Displayed by the Collegians—Details of the Various Events—Fast Time and Exciting Contests.

Every intercollegiate record has now been broken at Athletic Park yesterday, and the Intercollegiate Athletic Association is congratulating itself over the splendid program it has made. If such annual fast day improves the standard at the present rate, Southern California will be prepared to compete with the crack teams from the northern colleges before many more have come and gone.

The weather was splendid yesterday, and no doubt could be found with the Athletic Park grounds. The heat of the sun was tempered by a gentle breeze, and the presence of family and friends encouraged the athletes to deeds of might and "bar-ba-do." A great crowd jammed the bleachers and sidewalks, and the "hah" filled in the seats and straggled near the ropes. Food vendors leaned over to watch the sports, spectators and spectators gaped or yawned as contestants laced or won, and friends and alumni of the college cheered the number.

The University of Southern California was most fully represented, and her bright-red colors were everywhere. A young man with a banner on a long handle pole kept frantic time to the "hah! hah! hah!" whenever her champion won a play, and busy lungs and 68 belts completed the din as the flag flapped and ran. A six-foot hah, being reared behind it, and a team drum accompanied a snare drum to great and college music.

Pomona had the most largest contingent, but what was lacking in numbers they made up in enthusiasm. Her colors—blue and white—were scattered all through the crowd, but a little less, gathered high up in the grandstand "made some hah" with their yells whenever it could be established it.

The other colleges also had numerous followings, but they were too scattered to make much of a showing. Occidental's black and gold was more in evidence, but Chaffey's olive and gold showed to better advantage.

A hah-to-gully belabored with Pomona colors and full of enthusiastic Pomona "rooters," drove in at the south gate, and announced its presence by a flourish of trumpets and a

"Hah! Hah! Hah!  
Hah! Hah! Hah!  
Hah! Hah! Hah!  
Hah! Hah! Hah!"

That brought a roar of cheers from the numbers of Pomona already on the field. Large and small marriages, bouquets, cards, bouquets and bicycles ranged around the boundary lines six deep. A Woodbury College lady-to brought in a gay crowd of young men. The ladies, who made up nearly half the whole crowd, were not much less enthusiastic than their escorts. Numbers of teachers and professors were scattered about in the grounds, and were in proof of their man as the most able intercollegiate.

It was a great day, and a great turn-out.

The sports did not begin promptly at 10:00 a. m., as expected, and it was not until a few minutes before 2 o'clock that Grand Marshal William Edgar Moffet (Occidental) and his aide, Charles H. Ford (Pomona) and C. C. Mueller (Occidental) got the crowd in order and the officials in their places. Those in charge of the events were: Referee, Dr. H. Bert Hill; judges, C. F. Lyndall, Theo. Rowing and W. F. Kennedy; timers, J. W. A. Orr and W. H. Cowan; starter, A. C. Ward; scorer, Sherman Day; announcer, Frank Hutchins; clerk of course, H. C. Strickland.

Numerous other people volunteered to run the clock, and Smith reported squabbles and seats for their convenience, could not be kept off the field. However, this provincial act is rapidly becoming less, and it is thought that next year it will be stopped entirely.

### THE 100-YARD RUN.

A great howl went up when the first event was called and four light-colored, well-dressed and springy-footed sprinters strode out on the field to contest for the 100-yard run. F. L. Fairbanks ran for Occidental, F. Nance for Pomona, H. M. Sully for U.S.C., C. G. Toland for Chaffey. Nance got the lead and maintained it to the tape in 10 3/4 sec., closely followed by Sully, Toland and Fairbanks in the order named. Nance broke the old U.S.C.A. record of 11 1/4 sec. made last year by Mueller of Occidental, and was cheered in the echo for the gallant run he made and for scoring a first victory for Pomona.

### THE HAMMER THROW.

The sixteen-pound hammer throw was won by Carver of U.S.C. The contestants were W. H. Kammann for Occidental, L. M. Tolman for Pomona, Charles Carver for U.S.C. and Guy H. Ap Lynn for Chaffey. Ap Lynn is a giant in strength, and in practice has thrown the hammer 120 feet, but yesterday he fell down on his last records and scored the least. The other men threw well, as the score shows, but Carver threw a final 66 feet 7 1/2 inches and won, breaking Charles Hall's (Chaffey) last year's record of 58 feet, and being carried from the field on his friends' shoulders. Tolman was next with a throw of 52 feet, Kammann made 50 feet and Ap Lynn made 48 feet.

### FIFTY-YARD RUN.

The fifty-yard dash was contested by W. A. Edwards for Occidental, L. L. Whitney for Pomona, Chester A. Robinson for U. S. C., and C. G. Toland for Chaffey. The heat was very close, and Robinson was first, with Whitney at his elbow and Toland and Edwards hot on their heels. The winning time was set at 8 1-2 sec., but it was some time with professional time it is well to say that the course was accidentally measured eighteen feet short. Last year's record of 8 1-4 sec. was held by Nance of Pomona. Robinson got an evasive, but Pomona's trainer, Van Loven, entered a protest against the victory being awarded to U.S.C.

### TWO-MILE BICYCLE RACE.

The two-mile bicycle race was very slow, the winners merely leading around the track seven laps. On the last H. H. Smith of Pomona dashed ahead in the home stretch, and sailed across the stretch easy winner, followed by George Norman, Occidental, H. L. Martin, U.S.C., and Dennis Harris, Chaffey. The shockingly poor time of 4:28 was made.

### THE MILE RUN.

The mile event was a mile run, in which were entered L. E. Lynn for Occidental, H. M. Yonkers for Pomona, Elmer E. Elliot for U.S.C., and Andrew Noble for Chaffey. The men trotted around the track very competently to the great disgust of the crowd, but in the last lap showed a sport of speed that pleased Elmer well in dress, so that he won the race in 4:54, followed successively by Yonkers, Lynn and Noble.

### THE POLE VAULT.

The pole vaulting was a star feature of the event, and much of the enthusiasm was made manifest. Hardy of U.S.C. hit out early in the jump at 8 feet, and A. E. Reed of Occidental, setting last year's record of 8 feet 2 inches, fell out at 8 feet 2 inches. T. C. Kiefer of Chaffey

strayed in with H. Sloan of Pomona with 8 feet 7 inches was reached, on which he failed, and Sloan won after two trials.

When it was announced that Sloan of Pomona had won at 8 feet 7 inches the crowd cheered Pomona roars and up the street level of delight, and amid yells and cheers of praise, he was shouldered by his comrades and carried to his dressing-room. The contest all through had been intensely interesting. When Hardy had knocked down the bar the third time the U.S.C. crimson flag had been lowered and the festive horns of the crowd. When fall, on whom so much hope was placed, had struck the ground and swallowed his pole, the Occidental colors were carried tripping from the field, and a pantomime of cheering ensued that is indescribable.

The record was kept up continuously—in terms, drama and triumph were noted like play when colors were out, and everybody laughed with enthusiasm, laughed and were happy. Just because the boys were fighting for the college, and were doing it manfully. The old war-horns on the front rows with the words of the the battle, and remembering just such days in Harvard Yale or Harvard, got up and shouted an anthem "rah! rah! rah!" that made them feel ten years younger for the loss of dignity involved.

### THE 220-YARD RUN.

The 220-yard run was made by W. A. Edwards for Occidental, F. Nance for Pomona, H. M. Sully for University of Southern California, and W. J. Cutler for Chaffey.

Sully won it in 3:24, beating Nance's last year's record by 20 seconds, and being followed in by Nance, Edwards and Cutler.

### THE MILE WALK.

The mile walk (fast run) was entered by E. H. Miller for Occidental, J. E. Reed for Pomona, W. C. Tevis for University of Southern California, and F. B. Graham for Chaffey. Tevis led up to the home stretch, and there was overtake by Reed. Within a few yards of the tape Tevis fell in the track and crawled across the line first, where he could have easily been a winner. The race was awarded to J. E. Reed under protest, and the time was fixed at 17:11. Miller was second, Tevis was third and Graham fourth.

Tevis was carried to the shade of the grandstand, and there was featured to accommodate from his faint and exhausted state.

The last year's record for a mile walk was held by Oliver, University of Southern California, at 17:11.

### RUNNING HIGH-JUMP.

The running high-jump was won by L. L. Whitney of Pomona at 5 feet 1 1/2 inches. Meade Murray of Occidental and C. G. Toland of Chaffey shared second place, while Polio Jones of University of Southern California was last. The score was as follows:

	Feet.	Inches.
Whitney (P.)	5	1 1/2
Murray (O.)	5	0
Jones (U. S. C.)	5	0
Toland (C.)	5	0

This game was greatly cheered throughout, and when Whitney made his victory his advisors gave him a cheer ride off the field.

### THE MILE BICYCLE.

In the mile bicycle race George Norman was entered for Occidental, H. H. Smith for Pomona, A. D. Park for U. S. C., and Dennis Harris for Chaffey. The race was fairly contested to the last, Smith breaking the tape at 4:00, closely followed by Norman, then Park, then Harris. The award was immediately pronounced, and it being shown that Smith had left the track for a number of feet, the race was given to Norman. The grandstand that witnessed the announcement of Occidental's only victory was such they only a lot of Comanches could equal it. Everybody got up and yelled, and young men standing on their heads and extending in a delirium of joy were to be seen all around.

### THE 440-YARD RUN.

A 440-yard dash was the last event, and was done handsomely by A. E. Edwards for Occidental, L. M. Tolman for Pomona, Elmer E. Elliot for U. S. C., and W. J. Cutler for Chaffey.

Elliot won it with in advance, making the run in 1:11 1/4 seconds, beating Mueller's Occidental last year's record of 1:12 seconds.

The great crowd cheered again and again and streamed back tomorrow to prepare for the evening's presentations and entertainment.

Out of the seven events Pomona won the first, 100-yard run; the third, two-mile bicycle race; the sixth, pole vault; the eighth, mile walk, and the ninth, the high jump, making five medals.

The U. S. C. team also took five medals. For the second, 16-pound hammer throw; the fourth, 50-yard dash; the fifth, mile race; the seventh, 110-yard run, and the seventh, the 220-yard dash.

Occidental got one remaining medal for winning the mile event in a hah, the one-mile bicycle race.

The medals were distributed at the University of Southern California last evening, and the cup was awarded to Pomona, the victor of the games.
