

RELAY RECORD FOR HALF MILE.

Stanford Banner Clip Off Fifth of Second.

Northerners Have no Trouble Winning from U. S. C.

Richardson Only Methodist to Take First Place.

Stanford won from U.S.C. by the score of 84 1/2 to 27 1/2 in the track meet at Harvard Field yesterday, and crowned the victory by lowering the Coast relay for the half mile by one-fifth of a second.

Stanford won every first place but one, the hammer throw, which went to U.S.C.'s most versatile athlete, Richardson. In three events, the 120-yard hurdles, the 40-yard dash and the 100-yard run, the Cardinal performers captured all three places. Close to 200 people witnessed the meet.

With the exception of the relay, the time was not unusual in any of the events. Best of Stanford was the hundred in 18 1/4, and the 120 in 22 seconds flat. In the 40 and 100 the winning Stanford times came in easy winners, and instead of trying for time, trotted to the tape hand in hand, and in first place. The day was ideal for fast time, but the U.S.C. track proved to be slow for the establishment of new records.

In the field events U.S.C. fared much better than on the track. Richardson took first in the hammer throw, and second in the shot put and high jump. In the pole vault he dropped out of the running at 16 feet 11 inches. Capt. Langston and Bellah, Stanford's vaulters, used up their three trials attempting to get past 11 feet 5 inches. Langston went almost a foot higher than last year when he was in his best form.

Shute of U.S.C., who was counted on to win the 120-yard dash and place second in the hundred by the supporters of the local team, failed to place in either event. Thompson won third in the hundred and second in the 100, beating out Holman of Stanford in the latter event.

The hundred was one of the closest races of the meet. Thompson of U.S.C. led for the first fifty yards, but

Holman and Reed pulled ahead of him, the latter sprinter barely beating ahead of Holman at the mark.

Best of U.S.C. gave Horton, the big Cardinal hurdler, the run of his life in the 120-yard attack. Horton was just a shade ahead when the last hurdles were crossed, but Skerton, with his long strides, beat the U.S.C. man in the tape, and won by a scant half a foot. Landon beat Dowdley out for the third place.

Swadford and Brandrel ran the mile in better time than in any of their previous performances this year. Swadford had to stand at an easy jog, most of U.S.C. came in a plucky third, passing Capt. Norland in the last 100 yards. Nash ran a hard race, although it was only by the greatest effort that he won the last grading lap, he kept on 1000 with a point for his team. This was the first race of the meet. Nash and Brandrel won the two-mile in a similar manner. Garbutt crossed the 100 yards behind with a strong effort.

Miller, Brown and Wyman outdistanced Smith and Tapp of U.S.C. in the quarter, and when starting the half mile waited for each other and came in side by side. The time at 16 1/2 could easily have been two seconds faster.

Again in the 100, Maunster, Miller and Swadford won a fine race fifty yards ahead of Carl, U.S.C.'s best runner in

this event. Curl made a good showing, leading until the third lap. As the second lap began, Curl sprinted ahead of Maundrell, who was leading the field.

The Stanford distance man scowled at the lanky form which brushed by him, but did not quicken his pace until the third round was started. Then all three of the Cardinal runners pulled ahead, setting a big lead by the time the final lap was reached. The time in this race was again slow, but does not indicate what could have been done had the winners been hard pressed.

U.S.C. did not run the last lap in the relay, although Thompson was in the running, and would have pressed Reed at the finish. Shute pulled Thompson out of the race just as he was starting. Reed ran the 220 yards alone, completing the distance one second faster than the Coast record.

Shute explained his action in taking Thompson out of the race by asserting that Wyman of Stanford cut in ahead of Wilson on the first lap, thus committing a foul. Shute was waiting to run the second lap against Miller, and after the meet said that he saw Wyman cut in and take the pole as the two were rounding the turn outside the gate, throwing Wilson out of stride.

Wyman beat Wilson in the first lap by four yards. Shute held his ground against Miller, and the runners were the same distance apart when Holman and Burek started on the third stretch. Holman increased Stanford's lead to twelve yards, which is the distance Thompson would have had to recover in order to have won from Reed.

Martin won from Richardson in the high jump, at 5ft., 8in. Richardson reached 5ft., 7in. before he dropped out. Martin made several attempts to raise his mark after other competition was over, but was unsuccessful. Richardson took the hammer throw with ease, beating Youker over ten feet, with a throw of 138ft., 5in.

Trotter, holder of the Southern California record in the shot put at 49ft., 8in., reached only 37ft., 11in. yesterday, and was beaten by Richardson. Horton was first, with a put of 42ft., 5in.

U.S.C. had a rooting section and a band out to cheer for its team. The section of the bleachers which the collegians occupied was decorated in cardinal and gold bunting, the colors of the university. For the scattered Stanford sympathizers, a section of the bleachers was indicated by a long cardinal pennant, on which was printed "Stanford" in white block letters.

The central section of the grand stand was occupied by a group of L. A. High School students, who hurled remarks at the athletes on the field and annoyed those seated near them.

The officials were: "Dad" Moulton, referee; Kinter Hamilton, starter; Steve Clark, clerk of course; John Skinner, announcer; Bob Thomson, George Runyon and Andrew Glarner, judges of finish; Walter Hempel, President George F. Boyard, U.S.C., George C. Culver and W. P. Fuller, Jr., timers; George Young, Will Traeser and O. S. Lawsley, judges of the jumps; Hugh Willett, Louis Bristol and E. Robertson, judges of the weights; Newmark, Penter and Mann, inspectors.

"Home of Umpires."

Every umpire engaged to officiate in the Southern League for the coming season hails from Rochester, N. Y., which is often referred to as the "Home of Umpires." The men who will hold the indicator down South are Bill Carpenter, Dan Fitzsimmons, Dan Pfenninger and J. J. O'Brien. Carpenter formerly umpired in the National League, but has been let out by Pulliam. He will take the place of Rudderham on the Southern League staff, while Rudderham goes to the National. Nineteen umpires who work in the minors and majors claim Rochester as their home. Silk O'Loughlin and Billy Klem of the American and National League staffs hail from Rochester.
