[BY DIRECT WIRE TO THE TIMES.]

BERKELEY, March 25.—[Exclusive Dispatch.] By a score of 80 to 42, the University of California track team defeated the men from the University of Southern California in a meet replete with sensational running and field events this afternoon. The feature of the day was the high jump which was won by Ward of U.S.C. at the remarkable height of 6 feet 2 inches. Throop for the southerners won both sprints although in poor condition. After fainting on his mark in the 220 he was brought to and won the race in runaway time.

From the first event to the last the spectators were kept on their feet by the brilliant work of the athletes of both teams. U.S.C. put up a much sterner opposition than was expected. Smith of U.S.C. won the mile in the fast time of 4m. 31s., easily disposing of Wood, the California standby. Dowd of the Blue and Gold institution came back in the 880, running away with the race in 1m. 4-5s., with Walton twenty feet behind him.

California as usual came through strong in the hurdles, taking all the points in the high event. Stein of the U.S.C. team gave Beeson the blue and gold star, a hard rub in the furlong hurdle race and was beaten out at the tape by inches only. California was handicapped in the weights when Rice failed to put in an appearance and as a consequence Trotter won the shot without much difficulty. The best that Richardson could do in the pole vault was a tie with two of his California opponents.

The U.S.C. team made a marked impression on the large crowd of nearly 300 persons in attendance. Full results follow:—
