

U.S.C. WINS; OXY SMEARED.

Results of "Southern Invasion" of Berkeley.

Drew's Remarkable Time Is Ruled Out.

Pritchett's Great Two-Mile Sensation.

BY HOMER HAVEEMALE.

[BY DIRECT WIRE—EXCLUSIVE DISPATCH.]

BERKELEY, March 28.—Two surprises were sprung at today's double-header meet when Occidental failed to annex more than 22 points, and when the Blue and Gold freshmen came perilously near walking away with the big end of the Trojan score.

Final results gave the varsity 100, Occidental 22.

U.S.C., 66 1-3; California freshmen, 55 2-3.

Drew, the U.S.C. sprinter, pulled off the most spectacular event of the day when, following a poor start, he tore down the 100-yard straightaway in 9 3-5s. Every one of the five watches that caught the time of this remarkable runner registered the same, but, because of a slight wind that was blowing down the track, P.A.A. officials who were present refused to allow the time.

"Dad" Moulton states that the slight wind had almost ceased when the gun sounded, and that in spite of the action of the P.A.A. representatives, the time is legitimate and correct. Drew received an ovation from the California bleachers at the conclusion of his race.

BERGSTROM INJURED.

Kelly came through in his usual manner, bringing his college 14 points besides running a lap in the relay. He did not cover the high sticks with the speed which was anticipated, and he only landed third in the shot put, but he redeemed himself by taking first in the broad jump.

Bergstrom had no trouble in taking the pole vault at 12ft. 6in. He attempted to break the Coast record of 13ft. and on his last trial lost control and fell, injuring his ankle. It was necessary to carry him from the field.

Toward the close of the U.S.C.-freshman contest, with only the pole vault and the relay to be heard from, the score stood U.S.C. 55, freshmen 53. The 1917 men were wild, for, with the possible splitting of points in the pole and the uncertainty of what might occur in the relay, they saw a

chance of doing what the varsity had failed to do—defeat the Trojans.

RELAY WAS EASY.

But a little thing like a near-tie score, and two events to be heard from, did not bother the southern men. The pole netted them 5 1-2 points, and the relay was so easy that Drew turned around in the last lap and waited for the perspiring freshmen, who were trudging along about ten yards behind.

Clean-cut wins and losses marked the U.S.C.-freshman battle. Few of the races brought thrills because of the evenness or because of fighting finishes. From a spectator's point of view the 880 furnished the best run. Tipton took the lead in the third lap, but he was trailed by Cohen until, for a time, it looked dubious for the southern man.

Once on the straightaway, he soon pulled out, however, and Cohen found himself getting to the tape three yards behind his competitor.

HATS OFF TO PRITCHARD.

Blue and Gold hats are off to Pritchard, the Occidental two-miler with the wonderful finish sprint. His race caused the one sensation of the varsity-Occidental contest. Stowitts led out from the start, followed by Zielle and Pritchard. The relative positions were maintained through the whole contest until the last lap. When the gun for the final round was fired, Stowitts opened up and soon placed twenty-five yards between him and Pritchard.

At the curve leading to the final sprint, Pritchard found himself and, in the most muscle-tearing sprint seen on the track this season, he grabbed the pole away from the California man on the high-banked turn and led him when the straightaway was reached. Stowitts fought hard, but the Occidental runner beat him to the tape by six good yards.

COOK IN THE 440.

Cook ran a consistent race in the 440. He took the lead from the start and maintained it for the whole course, though Clark threatened it severely in the last fifty yards. Cook won out by a foot and a half at the finish.

Coffeen carried away the third first place for the wearers of the orange and black by wresting the pole vault from Wright at twelve feet.

A feature of the early afternoon events was the mile run by Harry Wood. He took the pole on the second lap and proceeded to kick dust in the face of the whole squad, until when he came around on the home stretch, he ran seventy-five yards ahead of the pack. His time of 4m. 21 3-5s. better last season's California-Stanford record by five seconds.

As in the U.S.C.-freshmen meet, first places were cleanly won, with the exception of the events above. In most of the races ability to land in the first money was so unequally scattered among the entrants that the contest lacked the dash of those more evenly matched.

BOYS WILL RACE IN CYCLE CARS.

Automobile races with boys driving cycle cars will be held on the mile track at Ascot Park, April 25 and 26. The races will be known as the Junior Vanderbilt and Grand Prize races. Well-known automobile men will act as officials of the meet.

Following are the conditions and programmes of the two days of racing:

Saturday, April 25, starting at 2 o'clock:

First event—One-mile dash for cars of 61 cubic inches piston displacement or under, assembled by owners and drivers; prize, silver cup and cash prize.

Second event—Three-mile dash for cars of sixty-one cubic inches piston displacement or under, assembled by drivers and owners; prize, silver cup and cash prize.

Third event—Junior Vanderbilt cup race, distance twenty miles, for cars of seventy-one cubic inches piston displacement or under, assembled by drivers and owners; prize, Junior Vanderbilt challenge cup and \$100 cash prize; cash prizes for the first five finishers in this race.

Sunday, April 26, starting at 2 o'clock:

First event—One-mile dash for cars of sixty-one inches piston displacement or under, assembled by drivers and owners; prize, silver cup and cash prize.

Second event—Three-mile dash for cars of sixty-one cubic inches piston displacement, assembled by drivers and owners; prize, silver cup and cash prize.

Third event—Junior Grand Prix Race, distance forty miles, for cycle cars, free-for-all; prize, Junior Grand Prix challenge cup and \$125; cash prizes for the first five finishers in this race.

Other interesting and entertaining features of the two-days' carnival of juvenile auto racing will be announced later.
