

# CLUBMEN BEAT S. C. TRACKMEN.

*Kelly Goes to San Fernando  
When He's Needed.*

*Drew Loafs in Dashes and  
Wins Easily.*

*Bagnard is Highest Point  
Winner.*

At last it is here—a club team that can defeat the colleges. The Los Angeles Athletic Club track team celebrated its initial appearance by winning.

The highly-celebrated track and field team of U.S.C. was somewhat jerked from its socket yesterday afternoon, the L.A.A.C. collection of track men winning the meet, 67 to 59.

Outside of the negro athletes, nary a U.S.S. man performed in a way that would create any great amount of excitement. Howard Drew had things his own way in the 100-yard dash, and merely jogged along in the 220-yard dash.

Bagnard of the L.A.A.C. was the individual star of the afternoon's amusement. He took first place in the shot put and discus, and picked up a few points here and there in various other events.

Of course, Fred Kelly was not performing for the Trojans, and everybody knows that Kelly and Drew come mighty near being the whole U.S.C. team. So the Trojans were really hopping around on one leg.
