[EXCLUSIVE DISPATCH.]

REDLANDS, March 5.—A good track meet with glitterings of fast time was won here this afternoon by the University of Southern California, who defeated the University of Redlands, 78 to 53. Colin Kilby, who held the Coast intercollegiate record in the quarter-mile dash, came back this afternoon and defeated George Schiller in the race by four feet. The official time was 50 flat and was considered good for this early in the season.

Paddeck, the Olympic hero, was not given any competition in the 100-yard dash, which he won in 10 flat, or the 220 dash which he stepped in 22 flat. William Yount, another Olympic star won the high hurdles with ease, also the low hurdles, took second in the 100 and got several thirds.

IN FINE SHAPE.

The track was in fine shape, but a high wind that swooped around the north curve slowed up the distance runners. Evans won the discus handily and Arnie of Redlands shot the javelin for 147 feet.

The relay was one of the prettiest races ever seen on the local track. Redlands ran one first team man, Lloyd Yount, Kilby, Zediker or W. Yount did not run. Simpson, Knights and Taylor took their places and made good time against Wilson, Schiller and Leahy. The results:
