

Pomona Wins the A.A.U. Track Meet, Featured by Wonderful Sprinting of the U.S.C. Cinder Star.

TEXCLUSIVE DISPATCH.

REDLANDS, April 23. - Three Los Angeles High, 3: Huntington housand wild track fans saw harles Paddock, premier speed ar: 6 i the speed to be the speed area of the speed area of the speed speed. Kern County, Hol-lard the work of the speed area o housand wild track fans saw Charles Paddock, premier speed arist of the world, tie one world's rec- lywood, 1 each rd and smash four others with great onchalance, in the Southern Paific A.A.U. track meet held here this afternoon. Despite the perof Sir Charles, Grand och Bah of the court of Montene-University of Southern Califoris lost the meet to Pomona Col-ege. The same was due to the ab-tence of the relay team of U.S.C., which was in Seattle. The scoring

Fomona College, 39; U.S.C., 33; Los Angeles Athletic Club, 26; Oc-idental, 19; University of Redlands, 15; Oxnard High, 10; Compton, 9;

RAN TWICE.

Paddock ran twice. In the first race he ran 100 yards in 9%s., tie-ing the record. He ran 100 meters the same race and broke a rec ord in this, making it in 10%. old record was 10%. In his race he ran 220 yards, 200 300 yards and 300 meters. J In his second meters His time in the 220 was slower than he has made by three-fifths of a second. He broke world's records in the 200 meter, which he made in 2114; the 300-yard, which he ran in 3014, and the 300 meters, which he ran in 33 % Bud Houser, who halls from Ox-

nard, lived up to his reputation for he won both the 16-pound shot-put and the discus. Houser goes across the ring at full speed in heaving the shot and he set it out for 44ft. Sin. The discus is done with equal speed. and he threw the plate for 144ft. 3in., which is also a new record on the Coast. Wild William Yount did a full

Wild William Yount did a full day's work. He lost his high hurdles race to Daggs by a whisker, the time being 15 flat. The judges at first called it a tie, but after con-sulting decided that Daggs broke the tape. Yount won the broad jump and then ran a beautiful lap in the relay race. The Los Angeles High relay team.

composed of Green, Olson, Thompyards to the good in the high school yards to the good in the high school relay. Rediands was second. The time of 1m. 33%s. was good consid-ering the day, for it was raw and cold on the back stretch. The Uni-versity of Rediands relay team, which leaves tomorrow for Philadelphia to take part in the Pennsylvania relay carnival, running the miles, made remarkable time without competition, being 3:24%. mona alone entered the field against Redlands and finished far in the

WINS JAVELIN.

Zolle of the Los Angeles Athletic Club won the javelin and took a shot at the record, but missed it. Moreman of Pomona ran two beautiful races, winning the half-mile in 2m. and the mile in 4m. 37%s. Kerr

AMERICAN LOSES TENNIS MATCH.

IBY CARLE AND ASSOCIATED PRESS ROEHAMPTON (Eng.) April 23 .- F. G. Lowe of England defeated W. H. Botsford, youthful American tennis star, in the final of the Surrey hard - courts tennis championship match today. The Englishman won in straight sets, 6-2, 6-3, 11-9.

of Huntington Beach gave him hot race in the latter. The time the quarter-mile only fair the quarter-mile was only fair. Spangler of Occidental winning in 51%s. and Benioff of Calteck being several steps behind him.

In the pole value three men failed to go over at lift. Sin. and they were lowered. Then Martin of Oc-cidental dropped out. Emmons of U.S.C. and Bickmore of Huntington

U.S.C. and Bickmore of Huntingfore Beach wend over that, but Elckmore failed at 11f. éin. Einmons cleared i on his last try. I on his last try. I on his start and the starting point and the men ran 170 yards a The time was 11 %is. Bienkiron of Compton won it. The judges faured that the time of the 100 was 30 flat. Paddoct ran on a trade of them of

Paddock ran on a track of decom-posed granite, in good condition. In his first race he ran 100 yards and 100 meters on the straightaway. In the second the 200 meters and 220 yards were straightaway, the re-mainder of the distance to the 300-yard and 300-meter marks being on

the circular track. Robert S. Weaver, national A.A.U. president, who acted as starter, de-scribed weather conditions as "not scribed weather conditions as "not particularly favorable." What wind there was blew from the west, and Paddock ran from south to north. The sky was cloudy, with rain threatening. The temperature was

Mr. Weaver said he saw no rea-
