

A WARD PLACES TO FIVE PACIFIC COAST ATHLETES

Charley Paddock Named Second Time in Century Run; Southland Prep Stars Honored.

[BY A. P. NIGHT WIRE.]

NEW YORK, Feb. 11.—Eastern club and college athletes have been allotted to the majority of places on the annual All-American track team, the composition of which was made public here today. Of the thirty-four events for which champions were selected, twenty-four went to athletes with eastern affiliations, five to middle western stars and an equal number of places to Pacific Coast contenders.

In the All-American college selections, the East secured eleven places, the Pacific Coast six and the Middle West nine. A similar team composed of the schoolboy athletes finds the Pacific Coast leading with eight places, the East second with five and the Middle West third with one.

RUBIEN MAKES AWARD.

Following the custom established by the late James E. Sullivan, secretary of the Amateur Athletic Union, places of all three teams have been awarded upon track performances during the season of 1921 by Frederick W. Rubien, Mr. Sullivan's successor. Records of all important meets in every section of the country were compared and positions allotted upon the showing made in the track and field events which are accepted as standard throughout the United States.

But seven of the athletes who were awarded places upon the team last year were able to repeat. C. W. Paddock of Los Angeles was named for the second time in the 100-yard dash, Jole Ray of Chicago in the mile run, Harold Barron of Penn State College in the seventy-yard hurdles, William Plant of New York in the seven-mile walk, P. J. McDonald and P. J. Ryan of New York in the 56-pound weight and 16-pound hammer, and A. R. Pope of Portland, Jr., in the discus throw.
