

# OLDEN BEARS TRAMPLE OVER TROJAN ATHLETES

## Bearers Victorious by Score of 73 to 58 in Dual Trackfest on Bovard Field

BY PAUL LOWRY

Sweeping the field in four events, California's celebrated track team, two-time national champions, subdued U.S.C., 73 to 58, at Bovard Field yesterday afternoon in a meet featured by Charley Paddock's splendid sprinting, Otto Anderson's low-hurdling, Yale Martz's fast quarter, Norman Anderson's burly work in the shot and discus and Sorrenti's heavy heaves in the javelin.

U.S.C. captured one more first place than California, but the Bears were too strong in the mile, high hurdles, two-mile run and javelin throw and the thirty-six points they picked up in these four events went a long ways toward winning the meet.

### OTTO FALLS DOWN

The points went about as the dopeters figured except that Otto Anderson failed to cut into the points in the high hurdles when he knocked down three of the barriers after running a neck and neck race with Becker of California. Anderson finished second, inches behind Becker, but was disqualified for his spilling of the sticks.

The Bears exhibited their greatest strength in the track, winning 45 points to the Trojans' 22 there, and had a two-point margin in the field events—28 to 26. Three of the Trojan athletes accounted for thirty of the local university's points, Paddock, Otto Anderson and Norman Anderson winning two events apiece. There were no first-place repeaters on the Blue and Gold squad.

The meet opened auspiciously for U.S.C., the well-known Mr. Paddock putting his team in the lead by winning the century in 1:4-5s, with Sheppard of California about two and one-half yards behind and Martz of U.S.C. a dangerous third. Norman Anderson kept U.S.C. out in front by copying the shot put with a hurl of 45 ft., 4 3-4 inches, better than the husky Mr. Witter of California could get the lead out.

### PHENOMENAL WORK

But the next event, the mile run, brought only three runners to their marks, and they all wore the Blue and Gold of California. They ran the race as they pleased and their nine points put California out in the van, where the up-State institution stayed to the finish.

Paddock's 2:14-5s, in the 220-yard dash on the difficult curves of the U.S.C. track was nothing short of phenomenal. He had the inside lane and caught the flying Sheppard and Farnsworth of California before they had gone 100 yards. He won slowing up, in low gear and with the emergency brake on, and had fifteen yards to spare. His time smashes his own track record of 2:18 flat.

The quarter-mile brought Yale Martz and a dark party by the name of Johnson of U.S.C. very much into the limelight. Saxby of California set the pace and held the lead for two-thirds of the way, when Martz shot to the front and opened up a big gap. Johnson, too, pulled up on the speeding Saxby and passed him fifty yards from the worried, Martz breaking the string about ten yards in front of his team-mate, who had a three-yard advantage on Saxby.

### GETS REVENGE

Stung by his defeat in the high hurdles, Otto Anderson obtained ample revenge by beating his California rivals fifteen yards to the tape in the low barrier race and equalling Fred Kelly's old record of 24 4-1s. for the track. Later in the day Anderson leaped into additional fame by broadjumping 22 ft. 8 1-2 in., with Jiminez of U.S.C. placing second over Brick Muller with a leap of 22 feet.

The most noteworthy field performances were Norman Anderson's 45 feet in the shot, his 121-ft. 2 1-2 in. in the discus and Sorrenti's 180 ft. 8 in. in the javelin. Brick Muller did a noble day's work for California, but cast of

five events—shot, high jump, discus, javelin and broad—the best trick could pull down was 6 points, a tie for first in the high jump, and a third in both broad and javelin. Davis nearly ruined Muller like he did last year, but just missed 3 feet 1 1-2 inches.

### STIRRING FINISH

The two-mile provided a stirring finish between a dark horse named Caulkins and Jensen. Caulkins was attired in a pair of ordinary pants and a gray sweater, and many of the cash customers, who were not of U.S.C. extraction, figured that he hailed from the local institution. When he beat Jensen of California to the finish line in drive that had all the earmarks of a desperate struggle the spectators got up and howled themselves hoarse, their enthusiasm being dampened somewhat when it was announced that Caulkins was of California and the Bears had captured all nine points in the race.

The half-mile furnished the closest finish when Bauman of California, Smutz of U.S.C. and Juch of California reached the tape in a simultaneous outburst. After the judges had untangled them it was announced that they finished in the order named above. Bauman had something in reserve and tried to let Juch win the race, but Smutz had an ounce too much sprint for the short-legged Californian.

### RELAY A WALKAWAY

The relay was a walkaway for U.S.C. in 3m. 31s. Hughes of U.S.C. opening up a lead of twenty-five yards on Ryan of California on the first circuit and Martz finishing the last quarter. Fifty to the good, in average time of a little more than fifty-two seconds to the man. The summary follows:

100-yard dash—Won by Paddock (U.S.C.) Sheppard (Cal.) second; Martz (U.S.C.) third. Time, 2 4-1s.

One-mile run—Won by Fish (Cal.) Ballard (Cal.) second; Denton (Cal.) third. Time, 4m. 39 3-4s.
