

GOLDEN BEAR TRAMPLES OVER TROJAN ATHLETES

Bruins Again Victorious on Track; Paddock Sets New Record in Century Flying Start

BERKELEY, March 31.—Showing a much more powerful attack in these field events than in their previous cinderpath clash with the University of Southern California at Los Angeles two weeks ago, the University of California's great track team humbled the Trojans, 81 to 50, in a meet held here today on the Bears' oval. Charles William Paddock, fastest human, Montenegrin knight, et cetera, was the life of the party, setting a new world's record in the 100-yard dash for a flying start, and breezing through, a winner, in both the 100 and 220-yard dashes.

Paddock was clocked in 8 9-10a. in the flying-start century which broke the record of 9 1-10 seconds for the event which was established in England by a professional named Seward in 1887. However, the Trojan speed king was out of luck in both of the regular sprints as the wind was against him. Paddock ambled the century in 9 4-8a. and the furlong in 11 1-5a., the latter equaling the world record which was in existence before Charlie uncorked his sensation 30.4 here two years ago.

GAIN POPULARITY

Otto Anderson and Yale Marts also won a place in the hearts of local track fans by their very creditable performances. Anderson won the high hurdles from Becker of California, who defeated him, in Los Angeles, in the low hurdles and took second in both the 100-yard dash and broad jump.

In the low barrier event, Otto broke Fred Kelly's University of Southern California record of 24 4-5a., by clearing the timbers in the remarkable time of 24 5-19a., winning from Neff of the Bears by about five yards. Although the 100-yard dash was run off right after the high hurdles, Otto showed the wonderful athlete he is by following the flying Paddock over the finish line for a second.

Marts won the quarter-mile with ease in 51 3-5a., while his teammates, Hughes and Johnson, took second and third, and then won the relay race for his alma mater by taking the baton three yards in behind Goertz, California fourth man, and breaking the tape a winner by a good ten yards. Marts is bubbling over with confidence and when he starts a 440 he does same with the idea in his head that nobody will beat him to the worsted and then proceeds to carry out this idea.

WITTER PULLS SURPRISE

Jack Witter, California weight tosser, surprised every one present by putting the shot out 46 ft. 3-4 in. tying big Norm Anderson of U. S. C. for first place. Norm was also defeated in the discus, Neufeldt of the Bears getting the five points with a heave of 124 feet, 10 inches. However, this was expected as the California man has been getting no platter out around 134 feet in practice, while Anderson has never thrown the discus out farther than 13 feet in competition.

"Mustasche" Sorrenti probably caused the biggest sensation of the year athletes when he tossed the javelin out 193 feet 8 inches in a

practice throw, after winning the event at 187 feet, 10 inches. Sorrenti's throw carried clear out on the track, the second time this has ever been accomplished.

"Red" Norris, star Bear pole vaulter, fell down in his event, tying for first place with white of U.S.C. and Garner of California at 11 feet, 4 inches. All three went out when the bar was raised to 12 feet. Norris cleared 12 feet, 1 3-4 inches after the event was over.

RELAY A THRILLER

The Bears made a clean sweep in the 880, mile, two-mile and the javelin. Boren of California took first place in the broad jump with a leap of 22 feet 9 1/4 inches, beating out Otto Anderson, who was not jumping in his best form as most of his energy was sapped from running in three other events.

The relay was a thriller. Marts finally running the Trojans to victory in the baton packing event. Hughes started for U.S.C. and picked up a six-yard lead on Juch of the Bears. Smuts ran second for the Trojans and handed the baton to Johnson with a yard lead. Pearce making up five yards on the Trojan half-miler. Saxby, who was saved from the 440 purposely to run a fast lap in the relay, ran opposite Johnson. However, Johnson ran the California flyer a plucky race, allowing the fresher Saxby to get but a three-yard lead. When Marts took after Goertz, California fourth man, it was practically all over. Goertz held his lead until just before the final turn when Marts uncorked a sprint that left the Californian far in the rear.
