

TROJAN FROSH DEFEAT SAINTS

Yearlings Down Santa Ana in Trackfest, 84-38

Borah, Bonham Sparkle and Cop Two Events Each

Vawter Scores Double Win for Defeated Cinderites

Coach Dean Cromwell's freshman track team journeyed to Santa Ana yesterday afternoon and well-nigh annihilated the Santa Ana Junior College team, winning 84 to 38. It was originally planned that the opposition should comprise both the Junior College and high school squad of that city, but Coach Scott chose to allow only two of his prep men to perform, these going in the javelin event, and placing first and third.

DEAN CROMWELL

Charlie Borah and Herschell Bonham divided honors for the winners, each winning two first places, while Jack Williams cleared 13 feet in the pole vault with ease and dispatch for an added attraction.

BURNS IT UP

Borah is undoubtedly one of the fastest sprinters in Southern California right now. He would give Murray Schultz, the Caltech flyer, and Ed House of the Trojan varsity, plenty of competition in the century, and what he could do against House in the 220 is just a matter of conjecture. He won the century in 10.1 flat, and the 220 in 23s, and was never out of pace faster than a common, ordinary lope. Had he chosen, or had he needed to, he could have shaded 10s. in the 100, and possibly would have bettered 22s. in the furlong.

Bonham won both high and low hurdle events as usual, and continues to be among the high-point winners on the squad. Vawter, the classy Santa Ana distance man, won both the half, and the mile races. Ed Gloege, Trojan half-miler, tried the quarter and won in 51.9.

Jack Williams, who holds the world's prep-school pole vault record of 13ft. 7in., leaped to an easy victory at 11ft. 6in., and then, just to prove he was in the best form, cleared 13ft., then 12ft. 6in., and finally 13ft. with ease. Only the fact that his pole was badly cracked, and there were no other suitable ones at hand, prevented him from trying other dizzy heights. Hal Hamser surprised by defeating Al Bowen in the high jump, at 5ft. 7in.
