

CHARLIE BORAH, U.S.C. freshman sprinter, not only lived up to all advance predictions, but equaled the best time for the 220-yard dash made in Southern California this year when he stepped the furlong in 21.4s. yesterday. Borah's victory, coupled with his equally sensational 9.8s. triumph in the 100-yard dash went a long ways toward giving the Trojan frosh the victory in the annual interclass meet in the Coliseum.

The best available figures gave the yearlings a total of 66 points, with the sopho gaining 60, the seniors 50, and the juniors 43.

BEATS BEST

Borah finished ahead of the best sprinters in the Trojan institution in his victories. He defeated Ed House, winner over California in both the century and furlong, by about a yard, and was more than that distance ahead of Herschell Smith, who nosed House out of second position, in the 220. Borah's 9.8s mark equaled his own best time, made when he was a student at Phillips-Andover Academy, and his 21.4s. was the fastest he had ever rambled in the furlong, although he had previously bettered even time.

Herschell Benham, by copping both high and low hurdles in the novice races, added 10 digits to the freshman total. Capt. Bud Houser likewise accounted for his usual two firsts, winning both the shot and discus. Harold Silbert won the novice shot with a nice toss of 43ft. 1/2in. He is an ineligible sophomore at present, but should prove valuable next year.

Percy Niersbach rambled to a neat victory in the half-mile in the nice time of 1m. 57s.

MAY LOSE KAER

Morton Kaer suffered a pulled muscle going over the first hurdle in the varsity lows. Just how serious his ailment will prove has not been discovered yet. It is hoped, however, that he will be able to run against Stanford a week from today. The results:
