## Niersbach, Kaer, Parsons and Ross Are Only Athletes Out of Meet; House Does :21 Flat in Furlong

### BULLETIN!

[BY A. P. NIGHT WIRE]

CAMBRIDGE (Mass.) May 28.—Herschel Smith, University of Southern California sprinter, who qualified for the finals in the 100-yard dash in the I.C.A.A. trials at the Harvard Stadium today, will be unable to compete in the finals tomorrow. He pulled a tendon, aggravating an old injury, during the first heat of the 100-yard dash trials today.

[EXCLUSIVE DISPATCH]

CAMBRIDGE (Mass.) May 28.—Before the weight of throwing prowess of Capt. Clarence Houser of the University of Southern California two intercollegiate records fell here this afternoon in the fiftieth annual intercollegiate track championships.

At the very start of the meet Houser tossed the shot within a scant quarter-inch of 50 feet,

breaking the record set last year by Ralph Hills, the giant Princeton athlete. Then as the shadows of twilight were gathering over the historic Harvard stadium young Houser went out in the final event and threw the discus 151ft. 3/4 in. This smashed the record that he himself set at Philadelphia in 1925 and helps to establish him as the greatest weight-event athlete of the decade.

CLARENCE HOUSER

In the trial heats as a whole the colors of the University of California and Leland Stanford flashed to the fore. U.S.C. qualified more men than any other of the thirty-two colleges, getting thirteen men in tomorrow's finals.

Yale qualified eleven men and Stanford and the University of California ten each. Georgetown had nine, Harvard and Princeton eight each and Pennsylvania and Penn State seven each.

The outstanding performances of the day were in the quarter-mile and the low hurdles. In the former Howard Paulson, the Yale star, ran the distance in 48.8s. to defeat Cecil Cook of Syracuse, the national champion, and James Burgess of Georgetown, a former national title.

In the low hurdles Ray Wolen of Pennsylvania and West of Stanford ran a dead heat in 24.8s.

Leighton Dye of the University of Southern California was extremely impressive in the high hurdles, winning his heat in 15s. flat, and showing beautiful, easy form in so doing.

The sprinting was of high or-

When referee Freddie Gilmore raised the leather mitt of Charlie Rosen over Roscoe Hall after ten rounds, chuck

full of fighting at Hollywood last night, he started an argument that will furnish the night bugs a material to chew over for some time. From the opening bell, the two lightweight went after each other like friendly dogs in the wrong alley. Both scored

knockdowns, and Rosen's jaw left hook to the chin that bedded Hall for a two count in the fifth probably influenced Gilmore in his decision. A count gave Hall five rounds, Rosen four and one even.

Hall was battling for a trip to New York, while Rosen was scrapping his way to attention from local fans. Ace promised Hall a trip to Gotham if he won last night, and even though he lost the decision, Hall certainly earned his trip, while Rosen battled himself into the good graces of the fans.

The Roman started in at a clip that boded evil for Rosen. In the second round he clipped the customer with a hard right to the chin, but Rosen was back on his feet before Gilmore could start a count. Rosen proved to have the essence of kays in both mittens. In the

## HOW U.S.C. MEN QUALIFIED IN BIG MEET AT CAMBRIDGE

Coach Cronwell took fifteen men east with him and according to dispatches thirteen of these qualified yesterday. However, Johnny Parsons, Percy Niersbach, Allen Ross and Morton Kaer fail to appear in the results, which actually leaves eleven Trojans in the finals today. Houser and Reynolds qualified in two events, and eastern scores apparently figured them as two men each, which brings the total to thirteen. Here's how they placed:

LEIGHTON DYE

Houser, first in shot and discus. Shot toss 40ft. 11 3/4 in. Nearest rival, Gerken (California) 40ft. 1 3/4 in. Discus heave—151ft. 3 3/4 in. Nearest rival, Gerken (California) 138ft. 2 1/4 in. Both Houser's throws new I.C.A.A.A. records and will stand as best places unless bettered today.

Grumbles won first heat in low hurdles in 24.3s. Best time made by West (Stanford)

and Wolf (Pennsylvania) 21 flat.

Coggeshall, qualified with seven others in high jump, clearing 5ft. 1 1/4 in. Best height by Work and King, both of Stanford, 6ft. 2 1/4 in.

Aleked, fourth in shotput, 46ft. 3/4 in. May better this in finals today.

Cook, qualified with six others in javelin, tossing the spear 178ft. 5in. Best throw by Gibson (Princeton) 182ft. 6 1/2 in.

Barnes, qualified with seven others in pole vault, all men clearing 12ft.

Dye, won first heat high hurdles, making best time of day, 15s. flat.

Steyer, second in third heat high hurdles, which was won by Wells (Dartmouth) in 15.3s.

Reynolds, won fourth heat high hurdles in 15.3s. Qualified in broad jump with leap of 27ft. 7 1/4 in. Best mark by Mathias (Penn State) 23ft. 5-8 in.

Smith, qualified for 100-yard dash as one of three fastest third-place men in trial meets. House, won third heat in 220-yard dash, running distance in 21.3s. Best times by Clark (Yale) and Russell (Cornell) 21.7s.

ber, four of the five heats in the 100-yard dash being run in less than 10s.

There was only a very slight wind. Norton of Yale won his heat in 9.8s., while Miller of Harvard, Hussey of Boston College and Russell of Cornell turned in 9.9s. in winning their heats.

A few upsets occurred. Hayes Norton, intercollegiate broad-jump title at 23ft. 11in. last year, failed to qualify in a poor field today. Elmer Bondshu of California, who cleared 23ft. 9in. last Saturday, cleared only 22ft. 6 1/2in. today and failed to qualify by a mere quarter of an inch.

Other prospective point winners who were shut out were Aacher of Georgetown in the 220; House of U.S.C. in the 100; Bartolomew of Penn State, who pulled a tendon in the 100; Hill of California in the pole vault; Berglund of Harvard in the hammer throw, and Moody of Dartmouth in the high jump.

Southern California and Stanford are the favorites for the team title in tomorrow's finals, U.S.C. being favored slightly. The big three, with Yale in the van, are the hope of the East.

# TROJANS RETAIN TITLE, PILING UP 35 1-2 POINTS

## Stanford Trails in Second Place, 10 Points Behind Cromwell's Squad; Barnes Defeated

(BY A. P. NIGHT WIRE)

CAMBRIDGE (Mass.) May 29.—On the crest of a record-breaking wave of performances, the University of Southern California's powerful track-and-field team swept to triumph today in the fiftieth intercollegiate championship meet.

### RICHARDS DEFEATED BY FERET

American Net Star Upset by Unknown Frenchman in Terrific Sets

(BY CABLE AND ASSOCIATED PRESS)  
PARIS, May 29.—Paul Feret, French tennis player, today defeated Vincent Richards, the American star, in the deciding set of their match in the Franco-American competition, which was interrupted yesterday by rain.

Feret won the first set yesterday, 4-3, lost the second set 4-6, and won the deciding set today, 10-14.

Vincent Richards

Feret's victory was a complete surprise, for the American player had been counted on as a sure winner. Hitherto, Feret has hardly been considered in the championship class. Richards was not at his best in the long, grueling third set today and was unable to find the winning stroke in the places.

In the doubles Rene Lacoste and Jacques Brugnon defeated Vincent Richards and Howard Kinsey, 7-5, 8-6.

In the mixed doubles Helen Wills and Vincent Richards defeated Mlle. Bourgeois and Rene Lacoste, 6-4, 6-3. Elizabeth Ryan paired with Howard Kinsey, defeated the French pair, Mlle. Lombardis and Jacques Brugnon, Mrs. Marion Z. Jessup of the United States, defeated Mlle. Descleres of France, 6-1, 7-6, 6-3.

### MOTION-PICTURE NET TOURNAMENT TODAY

The first game of the annual motion-picture tennis tournament will get under way this morning at 10:30 sharp on the court of Paty Ruth Miller's home in Beverly Hills.

More than thirty leading film stars, directors and writers have entered in this journey to decide the three tennis championships of the film colony. Men's singles, women's singles and mixed doubles are the three classes. J. Stuart Blackton is giving three silver loving cups as prizes.

### TORCHILLA WINS AT LOUISVILLE TRACK

(BY A. P. NIGHT WIRE)  
LOUISVILLE (Ky.) May 29.—Torchilla, S. Legere up, won the Bushford Motor stakes for two-year-olds here today, covering the five furlongs in 1m. 2-3 4/5. Gen. Haldeman was half a length back, Jack a close third and Comrade fourth. The race, with \$2000 added, was worth \$1100 to the winner, \$300 to second, \$100 to the third and \$125 to fourth.

Six records for the I.C.A.A.A. title meet were shattered, two of them also figuring as new American collegiate marks.

While one other was a 4-0-0-1-0. At the finish of this spectacular exhibition of a 4-0-0-1-0 and 1-0-0-0-0. Southern California topped eighteen rival colleges with a total of 25 1-2 points, ten more than its nearest rival, B. I. A. S., which, with 15 1-2, barely beat out Yale, third with 12 1-2. Harvard was fourth with 10 points in a battle that was confined chiefly to these four teams.

DEAN CROMWELL

The other contenders in the point struggle finished in order as follows: Syracuse, 11; University of California, 10; Penn State, 10; Cornell, 12; Georgetown, 10 1-2; Pennsylvania, 10; Princeton, 8; Columbia, 6 1-2; Boston College and Massachusetts Institute of Technology, 6 each; Colgate College, of the City of New York and Swarthmore, 5 each; Holy Cross and Dartmouth, 4 each.

It was Southern California's second successive victory and sends the coveted I.C.A.A.A. trophy to the Far West for the fifth time in the last six years. The Trojans' margin-of triumph, incidentally, was the most decisive since Cornell led the field in 1919.

The victory had one of the smallest squads in the meet, numbering only fifteen contestants, but eight of them scored points in eight of the fifteen events, accounting for four first places and three new records.

Their predominant strength was in the field events, where their stalwart captain, Bud Houser, hung up record-breaking victories in both the shot put and the discus throw, but the triumphs of their two hurdling champions, Leighton Dye over the 120-yard sticks, and Kenneth Grambles in a record-breaking 220-yard timber-topping race, had a big bearing on the result. Their only setback came in the pole vault when Lee Barnes, the Olympic champion, was off form and only able to finish second to his Yale rival, Sabia Carr, who vaulted to victory at a new record height of 130 1/2 in.

Barnes, who has cleared 137 1/2 in., this season, failed to clear the bar at 130 1/2, his best height being 127 1/2, 6 in.

Dye captured the 120-yard high hurdles in decisive fashion and gave Southern California, the team champion, its first triumph of the day. Dye beat another far westerner, West of Stanford, by two yards after leading all the way.

Houser's record-breaking toss of 497, 11-3-40s., made yesterday, withstood all assaults in the final, none of the competitors, in fact, being able to better their performances in the qualifying rounds.

Another standing record fell in the 220-yard low hurdles when Grambles was checked in 23.4s., heading the mark of 24.6s. set by Alvin Krausstein of Pennsylvania in 1924. Because of a favorable wind, however, this, as well as Russell's performances, may not officially be accepted.

The four new records set

in field events, however, will stand. Besides Carr's pole-vault mark which betters by one inch the 1912 feat of Bob Gardner, also of Yale, these records are: 6ft. 5 3-4in. in the high jump, made by Robert W. King of Stanford; 49ft. 11 3-4in. in the shot put and 15ft. 3 3-8in. in the discus, both by Houser.

The sweep of eastern talent in the running events was featured by the triumphs of Harvard's track trio—"Soapy" Watters in the half mile, "Red" Haggerty in the mile and Capt. Willard Tibbetts in the two-mile race, all of which witnessed thrilling competition.

Cecil Cooke, negro star of Syracuse University, holder of the national title, sped to sensational victory in the 440-yard final, coming from behind to beat out Jimmy Burgess of Georgetown and Oliver Proudlock, another Syracusan.

These three were blanketed in order, a yard apart at the tape. Howard Paulsen of Yale, the favorite, was boxed on the turn into the stretch but managed to get fourth, a stride ahead of Burns of Holy Cross. Ted Miller of Stanford trailed in the field of nine starters.

The finish of the half mile was victorious in a driving finish over of New York. Joe Campbell, Columbia star, collapsed and fell to the side of the track after leading the pack into the stretch.
