

# PAYNE FEATURES FROSH WIN

## Trojan Babes Trounce Pasadena Junior College as Hurdle Star Runs in Fifteen Flat

With Jimmy Payne turning in a sensational flight of 15s. flat hurdles, the U.S.C. frosh easily walked away with a meet with the Pasadena Junior College on Bovard Field yesterday. The final score was 97½ to 33½.

Payne ran a brilliant flight of hurdles. It was one of the few times this year he tried to run fast. Usually he has been content to win, but yesterday went out in front at the first barrier and steadily increased his lead until he led Duncan Powers by three or four yards at the finish. Payne also won the lows, coasting the distance in 25.2s.

Bert Darling turned in a double victory as usual. He won the 100 in 10.2s. in more or less easy fashion, but was hard pressed by Caines of Pasadena in the furlong, winning in 22.2s.

Jim Stewart, the one-man track team, who recently was declared cut for the rest of the season with a bad knee, didn't bother to don a track suit or obey orders, and won the javelin throw, took second in the discus and third in the shot. Stewart never had thrown a javelin in high school, but has been working out under Jannes Anderson, Trojan trainer. Yesterday the freshman threw the spear an approximate distance of 178 feet.

Warren Woodruff uncorked a terrific sprint to win the first two-mile frosh race of the season in the highly remarkable time of 10.8m. Blake Hansen, the other yearling distance runner, placed third in 10.12m., thus

bringing joy to Coaches Cromwell and Davis.

Frank Labes, as usual, won both weight events, although neither effort was up to his best mark. The results:
