BY BRAVEN DYER

If on a certain afternoon last May Charley Borah had not been so ambitious, he would now be in a fair way to have his John Henry ascribed on the books as the joint holder of the 100 - yard dash record. For yesterday he curly headed Trojan sophomore negotiated the century in 9.6s., the mark which stood as the world's record for years and years.

But unfortunately for himself, Charley got up on his hind feet just about a year ago and chased another Charley, surname Paddock, to the now accepted record of 9.5s. Borah ran right at Paddock's shoulders in this race, but Paddock won by inches and the older Charley's name went down as sole holder of the 9.5s. mark.

RACE OF CENTURY

So yesterday's effort, although it gave the fans assembled at the Coliseum plenty of thrills, did not bring Borah any record recognition. The performance, however, stamps him as one of the greatest sprinters of all time and proves beyond peradventure of a doubt that the Paddock-Borah race, when it comes off, will truly be "the battle of the century."

Borah was running for U.S.C. yesterday in the eighteenth annual A.A.U. meet. His efforts helped produce a lot of points for the Trojans, but Boyd Comstock's Los Angeles Athletic

Trojans Second, Hollywood
A.C. Third in Meet

(Continued from First Page)

Club team ran off with high honors, ringing up 69 1-2 digits. U.S.C. was a good second with 69 points, while the Hollywood Athletic Club showed surprising strength by capturing third with 58 1-2 markers. Had not one of the Movie Club's three-mile walkers been disqualified for something or other, this organization would have grabbed second place by half a point. The Trojan frosh were fourth with 13 digits.

Some indication of what was to follow came when Borah won his heat of the 100 in 9.6s. It is customary for athletes to loaf when running heats, but there was nothing slow about Charley as he eased into the tape with that beautiful stride of his. He apparently just ran fast because he wanted to, for there was no one in his heat to press him.

Capt. Ed House of the Trojans took the second heat in 10s. flat, with Wellington Draper right on his heels. Then came the snails, a few moments later. Borah runs so rhythmically and remains so calm on all occasions that it seemed as if he were merely running a good 10s. flat race as he sped along in the middle lane. At one side was Draper, slying alone a la Charley Paddock. On the other elbow was House, pulling for dear life. Without the slightest break of stride or any attempt at a leap, Borah breastst the ribbon a full two yards in front of House, with Draper inches behind the Trojan skipper.

TIED RECORD

Three of the watches caught Borah in 9.6s., equaling Paddock's time of a year ago. The other three said 9.6s. Inasmuch as the A.A.U. has decided to accept no more tenth-second records, the 9.6s. mark stood as Borah's time.

One of the pleasing features of the race to Dean Crowell, Trojan Coach, was the running of Draper. He has been laid up with an injured ankle, but looked great yesterday. Seeing he had third place clinched in the 100, Weiden eased off in the last six yards or he might have defeated House.

Borah said after the race that it was the first time he has ever won a century in 9.6s. Of course he has been timed in that speed in practice on several occasions and ran that fast behind Paddock.

There were plenty of good performances yesterday, among them the equalling of a world record by Ken Grumbles in the 440-yard hurdles. The former U.S.C. star had a terrific battle with Dick Pomeroy of the Los Angeles Athletic Club. Grumbles won by the thickness of an amoeba's rib in a spectacular lunging finish that saw both athletes straining to the limit. His time was 34m. 2s., equaling the accepted record held by J. K. Norton and made at Pasadena in 1926.

MAXWELL STARS

Bob Maxwell, L.A.A.C. captain turned in a sensational race in the 120-yard high hurdles, negotiating the tall barriers in 14.6s., to tie the Southern California record established by Leighton Dye last year. The former Pomona ace was given plenty of competition by Charley Weber of U.S.C., who must have done 14.6s., at the worst. Maxwell looked good for even faster time had Weber been able to push him a bit harder. It was the best record Bob has ever made. He did 14.7s. last year in the same meet. By next season maybe he'll be ready for an assault on the world's record of 14.4s.

Morton Kaer took the lows in a driving dash which found the all-American halfback a winner by two yards over Maxwell, who was tired from two high hurdle races and a previous heat in the abbreviated sticks. Kaer's time was 23.6s., exactly the same as Maxwell registered in winning the first heat, Kaer being right on his heels. The boys seemed to be battling for blood or something in the heat, which was a closer race than the final. Jimmy Payne, U. S. C. frosh star, hurt his knee in the first heat of the highs, remained in to take third, but stayed out of the lows.

The mile failed to develop the competition and excitement expected principally because Henry Lunney, who has the best Coast record of the year, was home in bed with an attack of pleurisy. With Lunney out, Nick Carter confined his attentions to the half-mile and Atwood Scovel conspicuous by his absence there was virtually no competition for Chesley Ulrich of U.S.C. and the Trojan sophomore won as he pleased in 4m.

STANFORD NINE BOWS TO BEARS

STANFORD UNIVERSITY.

April 14. (AP)—California today defeated Stanford, 3 to 1, in the third baseball game of the series, giving California two games to Stanford's one. Score:

	R.	H.	E.
California	3	4	0
Stanford	1	5	3

Stanford: Collins and Hypher;
California: Nemescheck and Wyatt.

31s. Patterson and Woodruff, two U.S.C. freshmen, taking second and third.

Including Grumbles' hurdle record, which also goes down as a new Southern California mark, seven Southern Pacific A.A.U. records were shattered. They are listed in the summary, the most noteworthy being Harlow's toss of 201ft. 7in. in the javelin.

MEYER GALLOPS

Bill Meyer, Hollywood's demon distance runner, ran a great race to win the six-mile grind from two other white men and half a dozen Indians. When the twenty-four-lap excursion was finished only four men were running, all of the others having dropped by the wayside. Meyer's time of 31m. 48s. wrecked the old mark of 33m. 14.2s.

Percy Nierbach, Hollywood Athletic Club middle-distance luminary, shared high-point honors for the day with his team-mate, Bud Houser, and Borah. Showing speed and versatility, Nierbach copped the 440 and the 880, winning the first race in 49.6s. and the second in 1m. 35.6s.

It was this latter event which provided some of the hottest competition of the day, Nick Carter giving Percy a battle of it until the final turn when Nierbach drew away to win by a good three yards.

The summary:

SILVER, JENKINS ON PASADENA BOUT BILL

Jack Silver and "Gentleman Ham" Jenkins have been booked for Thursday night at the Pasadena Armory. Silver, the pride of San Francisco and not so long ago the leading contender for the lightweight title, when he beat Muzzy Callahan, is doing a real comeback that promises to land him in the championship class yet.

Fighting as welterweights, they are scheduled for ten rounds. There are also four great four-round fights on the card:

Joe Bailey vs. Jack O'Brien, 145 pounds; Herbie Turck vs. Frank Abendano, 125 pounds; Kid Wales vs. George Trenkle, 200 pounds; Dick McDaniell vs. Red Bennett, 150 pounds.
