CHICAGO, June 9. (AP)—A sturdy band of eleven Californians, proudly wearing the cardinal colors of Leland Stanford University, scored an overwhelming triumph in the national collegiate track-and-field championship on Soldier Field today, annexing 72 points in an afternoon of record-breaking performances.

VICTORIAN BEATEN IN RICH STAKE

NEW YORK, June 9. (AP)—A. H. Cosden's Vito, an outsider, won the rich Belmont Stakes, oldest of American 3-year-old classics, today from a field of six. Genie was second and Diavolo, third. H. P. Whitney's crack colt Victorian, odds-on favorite, was unplaced.

Vito raced the mile and a half in 2m. 33 1-5s. to win the richest 3-year-old purse the turf offers, \$64,180. Genie, Man O' War colt, owned by Gifford Cochran, won \$7500 and Diavolo, from the Wheatly Stable, \$3000.

Victorian, generally picked as the winner through its victories in the Preakness and Withers, finished fifth, leading Sun Beau to the wire. Broom Whisk, an added starter, was fourth.

FRED ZOMBRO OUT OF OLYMPIC GAMES

Fred Zombro, star Stanford broad jumper, will not be able to take part in the final Olympic Games tryouts at Boston next month. According to reports from Palo Alto yesterday, he reinjured his foot and will be out of competition for the rest of the year.

Zombro did 24ft. 10in. for a new Coast record early this year, but has been in only fair form of late, although still good enough to place in the I.C.A.-A. meet. Kim Dyer, his team-mate, broke Zombro's record recently. Zombro has a broken bone

The meet, drawing 333 of the nation's finest athletes, representing seventy-nine universities and colleges, all fighting for Olympic team recognition, resulted in tying the world's record for the 100-yard dash, and before the onslaught was finished, eight records for the games were smashed and two were equaled.

The Californians, winner of the eastern intercollegiate championship, undefeated in team competition this season, amassed more than twice as many points as their nearest challenger, Illinois, which scored 30 3-4 points for second-place honors.

The Illini, Western Conference champions, barely beat out Ohio State, which finished third with 30 points.

HUSKIES FOURTH

The University of Washington, Pacific Coast champions, was fourth with 26 points. Rice Institute of Houston, Tex., and Iowa tied for fifth with 25 each, pursued closely by Northwestern, which pulled up in sixth place with 24 points. Michigan with 22 points was seventh with Pittsburgh finishing eighth with 16. Thirty-eight teams figured in the scoring.

The athletes from the Golden State established three of the records and picked up all of their points, with the exception of ten, in the field events in which they showed remarkable strength. They placed in seven of the fifteen events and might have scored in another only for the misfortune of Nichols, their star hurdler, who was disqualified in the high hurdles for knocking down three of the sticks.

Eric Krenz, the dark, brawny Californian, led the scoring of the Cardinal team by winning the discus with a record-breaking heave of 149ft. 2in., and placing second to his team-mate, Rothert, in the shot. Spencer, the bespectacled member of the Stanford team, established a new record for the 440-yard run when he beat Russell Walter, the Northwestern sophomore, to the tape by a yard, after a sensational race, in 47.7s. Edmunds, star vaulter of the Stanford squad, an-

knexed a third record for the Coast invaders, when he cleared the bar at 13ft. 6 1-2in.

TIES CENTURY RECORD

While Leland Stanford was carrying off the team championship honors, Audrey Bracey, a husky Rice Institute youth, called the "Dixie Flyer," was winning the individual honors. Bracey tied the world's record for the century when he broke the tape a scant yard ahead of George Simpson, Ohio State flyer, in 26s.

After tying the world mark, the Texas sprinter came back and equalled the meet record in winning the 220-yard dash from Simpson in 28.5s. His performance in the furlong tied the mark hung up by Roland Locke, the famous University of Nebraska dash man in 1926. Bracey was the individual high-point winner, scoring 20 for Rice Institute.

All down the line the races were thrillers from start to finish, with the crowd of 12,000 spectators leaping up in the excitement of the close finishes.

Kiser of the University of Washington, Pacific Coast champion, ran the fastest mile reeled off in America this season, when he captured the mile event after a thrilling duel with Potter of Michigan Normal, in 4m. 17.6s. His performance equalled the meet record established by Ray Conger of Iowa State a year ago. Kiser and the Michigan star ran shoulder to shoulder for the last 100 yards with the Coast runner beating him out at the tape by a foot.

ABBOTT SETS MARK

In the other distance run, the two-mile event, David Abbott of the University of Illinois, clipped two and two-tenths seconds off the meet record hung up by J. L. Romig of Penn State in 1921 by beating Cleaver of Idaho, the West's best, to the tape by two yards in 9m. 28.8s. The blonde runner from Illinois set the pace for the first mile, turning it in at 4m. 48s. Frazier of Kansas, grabbed the lead at the start of the fifth lap and held it until the back stretch of the last lap when Abbott and Cleaver jumped to the front in their finishing duel.

Frank Cuchl, captain of the University of Iowa team and rated as a certain Olympic prospect in the 400-meter hurdles, took the measure of Steve Anderson of Washington, Pacific Coast title-holder, in the 220-yard low hurdles to set a new meet record of 23.2s, two-tenths of a second faster than the mark made by Spence of the College of the City of Detroit a year ago. Cuchl was shut out of the high hurdle event when he tripped and lost his stride on the eighth hurdle and dropped out. Kane of Ohio Wesleyan won the event in 14.7s, after the Iowa captain had run on even terms with him until the time he tripped.

Barfield of Albion College, Albion, Mich., threw the javelin farther than it has ever been thrown by an American collegiate athlete, when he tossed the spear 216ft. 7in. for a new meet record.

This performance may also be recognized as an American inter-collegiate record as it is fifteen inches farther than the throw made by Wilmer Rinchart of Indiana early in the season.

Two other participants—Goode of McKendree College, Lebanon, Ill., and Rice of the College of the Ozarks, Clarksville, Ark., also bettered the meet record of 202ft. 7in. hung up by Hoffman of Michigan in 1927.

Virgil Gist of Chicago tied the record for the 880-yard run with a brilliant sprint to the tape to defeat White and Orlovich of Illinois in 1m. 54 4-10s. White finished second and Orlovich third.

KING UP IN THE AIR

King, the Stanford high jumper, counted for one of the Cardinals' five firsts when he cleared the bar at 6ft. 4 1-2in. to defeat Shelby of Oklahoma in an effort to estab-

lish a new record. King made 6ft. 6 5-8in., but failed in three attempts to go any higher.

Ed Hamm of Georgia Tech, winner of the broad jump last year, repeated his triumph today with a leap of 25ft., while Ketz of Michigan captured the hammer throw with a throw of 163ft. 8 3-4in.

The meet was declared to be the greatest track-and-field event ever staged in the Middle West, drawing the largest crowd that ever witnessed a similar event in Chicago. The weather was almost too chilly for the comfort of the spectators, but the track was dry and fast. With a slight wind blowing to the back of the sprinters, conditions were highly favorable for the record-smashing performances.

CADENA TO MEET GLEASON AT BEACH

Ad Cadena, Mexican lightweight who has never yet tasted defeat and who has scored eight knockouts in his last ten starts, will be seen in the feature frolic at Ocean Park Athletic Club Wednesday evening against Eddie Gleason, former amateur lightweight boxing champion of Los Angeles.
