HARVARD STADIUM, CAMBRIDGE (Mass.) May 31. (AP)—The superior all-around strength of Southern California's Trojans triumphed over the individual brilliance of Stanford's Cardinals, defending title-holders, today and swept them to victory in the fifty-fourth Intercollegiate A.A.A.A. track-and-field championships, a sensational battle featured by the greatest collection of performances in the history of the classic.

Three records were shattered and a fourth equaled in the two-day struggle as the two Pacific Coast rivals staged a spectacular fight for team honors. For a time Harvard unexpectedly made it a three-cornered affair with a surprising show of strength, but the Crimson was unable to keep up the pace all the way.

Scoring in eleven of the fifteen finals, the stalwart band of sixteen Southern Californians rolled up the impressive total of 44 1-4 points. This was sufficient to give the Trojans an 8-point margin over Stanford, which finished second with 36 1-4 points as the Cardinals yielded the crown they had worn for the past three years in a row. Harvard finished a good third with 23½ points, Michigan fourth with 14 1-4 as the Wolverines participated for the first time since 1919, and Yale fifth with 12 3-4.

SET RECORD

Stanford, with her twin stars, Eric Krenz and Harlow Rothert, in rare form, furnished most of the record-breaking thrills. The Cardinals also led in first places, col-

lecting four titles, while Southern California bagged only two. Right down the line, however, the Trojans had too much all-around strength and they clinched the meet with a finishing burst as Bill Carls and Ernie Payne ran one-two in the finals of the 220-yard low hurdles.

Rothert's marvelous heave of 52ft. 1-4-in. in the shotput trials, beating his own former meet mark and also surpassing the American record, withstood all further attacks today to give the Stanford star his second successive championship in this event. Meanwhile, he was joined by his team captain, Eric Krenz, in a record-breaking farewell to I.C.A.A.A.A. competition, as Krenz hurled the discus to a new meet mark of 160ft. 9 3-4-in. Krenz had achieved a throw of 163ft. 8-in. the day before, but this was not allowed because of the wind, and was eliminated from the list today in view of his officially acceptable accomplishment.

The third record to fall was in the javelin throw, Kenneth Churchill of the University of California breaking the meet mark for the second successive day with a toss of 212ft. 5-in. Besides surpassing his day-old toss of 207ft. 8 1-2-in. Churchill's throw equaled the American record, set at Los Angeles in 1925 by the veteran Finn, Jonni Myrra, former Olympic champion.

Sprint honors were divided by the

two youthful Pacific Coast stars, Frank Wykoff of Southern California and Hector Dyer of Stanford, at the expense of the bespectacled Michigan Negro, Eddie Tolan, holder of the official world's record of 2:12. Wykoff, with a great opening burst of speed, stood off Tolan to win the 100-yard dash by two feet, in 9.7s., equalling the I.C.A.A.A. record for the second time in the meet.

Dyer was tried in the century but he came back, in the closing event of the day, to outrun Tolan and capture the 100-yard honors by a scant yard in 21.2s. Wykoff did not run in the furlong.

Thus the Pac West, in taking the East's blue-ribbon track-and-field classic for the ninth time in ten straight years, also contributed all of the record performances and reaped off with seven of the fifteen individual championships. It was the third team victory for Dean Cromwell's Southern Californians, thereby enabling the Trojans to equal the record of their Coast rivals. California won the meet in 1921, 1922, 1923, Southern California previously in 1925, 1926, and Stanford in 1927, 1928, 1929. Yale's 1924 victory alone shows to the East's credit over this period and from the way U.S.C. performed today, with a team made up mostly of sophomores, the chain of far western triumphs is far from being completed.

EASTERN HEROES

Nevertheless, the East contributed a succession of brilliant individual achievements to today's finals, besides producing a fine team showing by Harvard, the Crimson, leading all eastern rivals by a wide margin in the scoring, was enabled to make it interesting for the westerners for a time, due mainly to surprising victories by Eugene Reed Record in the high hurdles and Oscar Sulzmeister in the pole vault, both at the expense of Coast favorites. Record beat out the Trojan star, Juddy Welsh, in the final gallop over the hurdles as Scotch of Stanford stumbled and fell sprawling to the track. Sulzmeister, alone of nine contestants who cleared 12ft. in the pole vault, went on to negotiate 131.8m. and win handily as all eight of his rivals tried for second place. Among the eight were Hubbard of U.S.C., the favorite, and two of his Trojan team-mates.

In the eastern sweep of running events from the 440-yard run to the two-mile race, George Bullwinkle, a one-man team from the College of the City of New York, was a dramatic figure as he did gallantly for a double victory. Bullwinkle, a lithe, long-striding youth, proved his field groggy to win the 440-yard race in the sterling time of 4m. 28.4s. An hour later he came back in the half-mile setting the pace for 300 yards, but lacking the strength to match the sensational closing rush of Russell Chapman of Bates, who won in 1m. 52.4s., within two-hundredths of a second of the American record, set by Ted Meredith in 1916 and equaled in the I.C.A.A. meet last year by Phil Edwards of New York University. Chapman's spurt carried him to the tape twenty yards in front of Dave Cobb of Harvard, who forced Bullwinkle to take third place.

Bullwinkle, tallying 8 points for C.C. New York, proved himself the eighth best "leaner" in the meet, tying Colgate at this figure and leading such teams as Cornell, Penn State, New York University and California in the scoring column. In the mile, Bullwinkle traveled at a world's record-breaking clip as he covered the first quarter in 24.4s. and the half in 5m. 4s. to open up a gap of from twenty-five to fifty yards over the field. His winning margin was cut down to about four yards by the great finishing spurt of "Pee" Halliwell of Harvard, while the favorite, Bill McKeliff of Pennsylvania, collapsed along with a half-dozen other runners after finishing third.

Another sensational finish carried Joe Hagen, sprindle-legged little Columbia runner, to victory in the two-mile run. Hagen, after starting the hot lap twenty-five yards behind two Penn State stars, Melinger and Detwiler, had the stuff to make up all of this and beat Melinger by inches in the very last lap for the tape. The winner's time was 9m. 28.8s.

Yale's two favorites, Charley Eagle in the 440-yard and Frank Coaker in the hammer throw, triumphed incrementally. Taking the pole and setting his own pace nearly all the way, Eagle faced his Holy Cross rival, Bernie McCafferty, into submission in the home stretch and then withstood a closing drive by Ted Graham, Syracuse Negro, to win by a good yard in 48.2s. Vic Williams of Southern California came up fast to take third place, while Whitney of Colgate also beat out McCafferty, the latter staggering in fifth.

Coaker won the hammer throw with a great heave of 177ft. to 2-1/2m., close to the record. Arnold West, Stanford's fourth champion, out-leaped Ed Parth of New York University by less than half an inch to win the broad jump, at 24ft. 7 3/4m. In the high jump, first place went to William O'Connor of Columbia at 4ft. 8in. after a leap over the bar at this mark by Jim Stewart, Southern California favorite, was ruled out as a "dive." Stewart was forced to take second place at 4ft. 7in.
