

FRANK WYKOFF TO RUN ONCE

*Record-Holder to Appear in
Century Only*

*Jensen and Winfield Have
Chance in Vault*

*Patterson Field Scene of
Handicap Meet*

If the handicapping done by Braven Dyer turns out as expected Saturday's meet between Southern California and Occidental should be interesting and exciting. Tiger athletes have been given liberal handicaps in practically every event and with this aid figure to score several first places during the afternoon's fun.

Both sprints, the two hurdle races and the pole vault will be run off without handicaps. In the dashes Ivan Belman of Oxy hopes to place close enough to Frank Wykoff to score some points for his team. Whether he can nose out Maurer, Said and Delby in the 100, and Parsons, Anderson and Ball in the furlong remains to be seen.

Capt. Jensen and Winfield of Oxy stand an excellent chance of beating Troy's vaulters, Chlontzos, Graber, Harris and Mitchell. All do around 13ft.

Jim Weeks in the high hurdles figures to give Stokes, Ritchey, Berry and Bills a good race, but Capt. Ernie Payne, Carls and Powers look too strong in the lows.

Following are the entries and handicaps for the Southern California-Occidental track meet at Patterson Field Saturday:
