relay carnival to be held Saturday afternoon at Long Beach. Coach Dean Cromwell of the Trojan squad announced yesterday. The Trojans will have entries in all events and in some relays will enter as many as three different teams in order to give all available S. C. talent a chance

If Frank Wykoff, S.C.'s record-breaking sprinter, is back in condition after his recent leg injury, he will run the anchor lap on both the 440 and 880-yard relays. In case the Trojan flash is not able to run, his place will be taken by Charley Parsons, Jr., who will make
