

TWO TRACK RECORDS GO BY BOARDS

Saling Runs Low Hurdles in 23.1s. as Ohio State Leads Qualifiers

CHICAGO, June 10. (AP)—Ohio State's scarlet-shirted track and field men got the jump on the field in the National Collegiate Athletic Association championships today by qualifying for seven places in tomorrow's finals.

With the possibility of 41 points from the five men who qualified and strength in the pole vault and high jump tomorrow, the Buckeyes figured to regain the title won by Southern California in 1930 and 1931. Ohio State was the last Midwestern school to win the title before the Coast stars took charge.

Two records were bettered in the trials but only one of them will go into the N.C.A.A. record book. George Saling, Iowa hurdling star, stepped his heat in the 220 lows in 23.1s., shaving a tenth of a second from the record set in 1928 by Frank Cuhel, another Iowan, and tied by Lee Sentman of Illinois in 1930. It was just a tenth of a sec-

and shy of the accepted world record made by Charley Brookins of Iowa in 1924.

The record which will not stand was a fine 1m. 53.2s. for the half-mile by E. Gray of Abilene Christian College of Texas. Gray was not eligible under the rules of the association, but qualified for the final Olympic trials at Palo Alto, Cal., next month. The N.C.A.A. record is 1m. 53.5s., set by Dale Letts of Chicago last year.

Ralph Metcalfe, Marquette University Negro sprinter, again demonstrated his right to consideration for the Olympic squad by easily winning his heats in the 100 and 220-yard dashes. Another Negro, Jim Johnson, of Illinois State Normal sprang a surprise by outfooting Don Bennett, one of Ohio State's chief hopes, in the century.

Ohio State was led today by Jack Keller, who qualified in both hurdles, Bennett in both dashes, Smit in the javelin and John Black in the high hurdles.

Along with the qualifiers for the championship event, thirteen ineligible and special entrants, including Gray, gain the finals.

GLEN CUNNINGHAM RUNS FASTEST AMERICAN MILE

Saling Wins Hurdles in 14.1s.; Rhea Puts Shot 52ft. 5in.; Jumpers Better 25ft.

CHICAGO, June 11. (AP)—An ebony phantom of the cinder path is a cinch to be a member of your Olympic team, Uncle Sam.

AT IT AGAIN

Ralph Metcalfe
The Marquette sprinter had another big day at Chicago yesterday when he broke three world records and tied another.

He is Ralph Metcalfe, 22-year-old Negro youth from Marquette University, who today, in two amazing races, eclipsed three world records and tied another, as Indiana took the National Collegiate Athletic Association track and field championship with 56 points.

Metcalfe shattered the world marks for the 220-yard dash, the 100 meters, the 200 meters and tied the accepted world record of 9.5s. for the century. His performance, topping an afternoon of reckless record-breaking, was hailed as the greatest achievement since Charlie Paddock broke the world records for the 100 and 200 in one afternoon back in 1921.

OTHERS ALSO STAR

Metcalfe was the outstanding performer, although not much ahead of George Saling of the University of Iowa, and Jack Keller of Ohio State, each of whom set world records. After 372 athletes from eighty-eight colleges and universities, from Pennsylvania to Arizona, finished their performances, five world records had been eclipsed, one had been tied, and six records for the meet had gone glimmering. The winners of today's events and those who trailed them in second and third place, will be chosen to compete in the final trials for America's Olympic team July 15-18, next, at Palo Alto, Cal.

Metcalfe, a powerfully built youngster weighing 180 pounds, and standing five feet eleven inches, started his amazing achievement by winning the 100-yard dash in 9.5s., breaking the tape two yards in front of Don Bennett of Ohio State. This equaled the world record made by Eddie Tolson, a Negro star from the University of Michigan.

Metcalfe's most sparkling race was the 220-yard dash, in which he slashed a tenth of a second from the world mark, to beat another Negro, James Johnson of Illinois State Normal, by six yards in 20.5s.

In both races Metcalfe also was timed at metric distances for Olympic competition. The watches showed him knocking off 200 meters in 20.2s., three-tenths of a second better than the world mark held by Roland Locke, Nebraska. He was timed at 100 meters at 10.2s., two-tenths of a second faster than Charlie Paddock's record.

OHIO STATE SECOND

The battle for team championship honors involved midwestern rivals with Ohio State finishing second to the Hoosiers, with 49 3-4 points. Minnesota was third with 39 1-2, and Marquette, because of Metcalfe's achievements, was fourth with 23 3-4.

Saling skimmed the 120 high hurdles in 14.1s., to knock three-tenths of a second from the world mark made by Earl Thomson, Dartmouth, in 1920, and later tied by E. Wennstrom of Sweden. Keller also lapped a hurdle record, galloping over the 220-yard low hurdles in 22.7s.

The old accepted mark is 23s. flat.

Henry Brocksmith, respected Hoosier from Indiana University, met heart-breaking

defeats in the mile and two-mile races. Glen Cunningham, University of Kansas, started an explosion under Brocksmith when he conquered him in the mile in 4m. 11.1s. to chop more than six seconds off the national collegiate record. Cunningham's achievement was the fastest outdoor mile ever run in America.

In the two-mile, Charles Shugert of Miami University, Oxford, O., triumphed over Brocksmith in a sensational stretch finish, with the Hoosier, wobbly, finishing about a yard and a half back of his conqueror. To beat Brocksmith, Shugert broke the national colle-

glate record, covering the distance in 9m. 16.7s. They raced neck and neck for about 100 yards.

Hugh Rhea, all-America football star from Nebraska, contributed a new national collegiate record for the shot put by tossing the ball 52ft. 5 3-4in. It was more than a foot better than the old mark of 51ft. 1 3-4in., made by Harlow Rotherb of Stanford, 1930.
