

# TROJANS NOSED OUT IN SENSATIONAL TRACK DUEL

## Southerners Run Up 58 Points to Troy's 54; Records Fall in Spectacular Chicago Meet

CHICAGO, June 17. (AP)—Louisiana State University nosed out Southern California, 58 to 54, here tonight to capture the National Intercollegiate track and field championship in a thrilling battle.

Glenn Cunningham, Kansas University's sensational middle-distance runner, tonight sped to a new American record for the mile run, winning the event over a brilliant field in 4m. 9.8s. Jumping his field at the half-mile mark, Cunningham set his own pace to win by about 45 yards over Lyle Hutton of Illinois State Normal.

The Kansas flyer lagged in fourth place until near the end of the half-mile. Then he speeded up, raced into the lead and made a show of the field. He was only six-tenths of a second short of the world record credited to Jules Ladoumeque of France in 1931. Charles Hornbostel, Indiana's star, found the pace too hot and landed in sixth place. Ray Sears of Butler followed Hutton, with William Howell of Michigan and Dean Woolsey of Illinois, taking fourth and fifth places.

### HARDIN SHINES

Glenn (Slatz) Hardin, Louisiana State's versatile star, established a new meet record for the 440-yard run, finishing in 47.1s. after a blistering battle with Ivan Fuqua of Indiana. Hardin got away in front and managed to withstand Fuqua's brilliant bid by about a yard. Ed Ablowich of Southern California was third, Sid Dean of Iowa landed fourth, and B. Ward of Oklahoma, and Tompkins of Southern California, took the other two places. The former N.C.A.A. record was 47.7s., by Emerson (Bud) Spencer of Stanford, in 1928.

Coming up with a characteristic rush during the last half of the race Ralph Metcalfe, Marquette University Negro speedster, equaled the world and meet records in the 100-yard dash. He pulled away to beat out Paul Starr of Oregon by nearly two yards in 9.4s., equaling Frank Wykoff's accepted world mark and the latter's meet record, which was shared by George Simpson of Ohio State.

Jimmy Johnson, Illinois State Normal Negro, was third, inches behind Starr, with the Southern California pair, Ball and Parsons, taking the next two places. Hudson Hellmich of Illinois was sixth.

Jack Torrance, 265-pound giant from Louisiana State, heaved the sixteen-pound shot 52ft. 10in. to better the accepted world record. His effort surpassed the 52ft. 7 7/8in. of Z. Heljass of Poland, recognized as the world record, but was short of Leo Sexton's American mark of 53ft. 1/2in.

### MEIER WINS

Gus Meier of Stanford soared over the 120-yard high hurdles in 14.2s., equaling the accepted world record credited to Percy Beard of the New York A. C. Meier led all the way but outfinished Al Moreau of Louisiana State only by inches. His time was a tenth of a second slower than the meet record set last year by the late George Saling of Iowa.

Hornbostel, the Indiana iron man, came back in the half-mile to win the race in world-record time. After a terrific struggle down the

stretch, the Hoosier lunged past Cunningham to win by about two inches in 1m. 50.9s. The time equaled Ben Eastman's unofficial world record, and bettered the accepted mark of 1m. 51.6s., made by Dr. Otto Peltzer of Germany, in 1926.

Another world-record performance was pounded out by Metcalfe's powerful legs in the 220-yard dash. Running as he did in the century, the Marquette Negro began his drive about 75 yards from the finish and sped on to win over Johnson, Illinois Normal Negro, by about five yards in the amazing time of 20.4s. The accepted world record is 20.6s., by Roland Locke of Nebraska, made in 1926. The N.C.A.A. mark, however, was 20.5s. and was made by Metcalfe last year.

Henri Laborde, Stanford weight man, was much too good for his field in the discus, hurling the implement 163ft. 3 3-4in., a little more than twelve feet better than the second man. White of Pittsburg (Kan.) Teachers was the runner-up with 151ft. even. The broad jump went to John Brooks, University of Chicago Negro, with a fair performance of 24ft. 4 3-4in.

After taking and losing the lead, Myron Pilbrow, tiny distance runner from Grinnell College, Grinnell, Iowa, staged a last spurt to beat out Cliff Watson of Indiana, by two steps in the two-mile. His time, 9m. 22.8s., was about six seconds behind the meet record set by Charles Shugart of Miami University, last year. Joe McCluskey, famous Fordham two-miler, finished fourth, just a step behind Harvey of the Colorado Aggies.

Hardin became a double winner and kept Louisiana State in the lead in the point total by winning the 220-yard low hurdles, in 22.9s. one-tenth of a second faster than the accepted world record made by Charles Brookins of Iowa, in 1924. However, it was two-tenths of a second slower than the meet record, established last year by Jack Keller of Ohio State.

Duncan McNaughton of Southern California, Olympic high jump champion, and Vincent Murphy of Notre Dame, tied for first place in the event at 6ft. 4in., not up to the best performance of either. Watkins of Abilene Christian, Willis Ward of Michigan, L. G. Richey, Alabama Poly; Howard Spencer, Geneva College, and M. Jameson of Colorado, tied for the other three places.

Purvis, Purdue football star, fell only three-fourths of an inch short of the meet record in the javelin, tossing the spear 216ft. 6 1-4in.
