Many were the hearts that palpitated like thunder and many were the heads that buzzed with excitement as the Trojans of Southern California noosed out California's Golden Bears, 69-62, in the annual track meet between the two venerable rivals here this afternoon.

When all is said and done it was the individual efforts of two youthful Trojans, Bob Quinn and Kenny Carpenter, who won the meet for old S.C. Quinn gave Berkeley fans something to ponder over by winning the javelin with a mammoth toss of 193ft.

Then with the Bears seeing victory coming round the mountain or some place, Carpenter threw discretion to the winds, tied himself in a huge knot and unwound with a toss of 148ft. 11 3-4in. to win the discus.

When you consider that both Quinn and Carpenter did better than they ever had before in their young lives, it really was "sumpin'." The three ailing spear-throwers, Norman Fitzgerald and Jim Miller of California, and Frank Williamson of S.C., lived up to advance notices and were actually ailing. However, Fitzgerald was well enough to take second with a toss of 188ft. 10in., so he wasn't exactly near death's door. Neither Miller nor Williamson placed, the third spot going to Leavitt Thurlow, who gained minor prominence for himself with a gigantic heave of 162ft.; this was also his best effort.

WOOD BEATEN

Carpenter won by a good ten feet from Warren Wood, Bear sensation from San Bernardino Jaycee. They told us that Wood had been doing close to 150 feet in practice all week, but as usual those types of heaves mean slightly less than nothing. His best toss measured 138ft. John Chrisman, third-place Trojan, came close to beating Wood, spinning the platter 137ft. 2 3-4in.

Things looked very black for the Trojans when California swept the pole vault. Van Tress, Haskell and Mauger deadlocked at 13ft. when one of the Trojan pole vaulters (it looked like Johnny Hooker from the far distant press box) sprained his ankle and the other two, Dick Lindsay and Jim Fimple, couldn't clear the all-important 13ft. height.

Four new meet records were written into the books, California getting a pair and the Trojans the same. Here they are: 9.5a. in the 100, by Bob Kiesel of Berkeley; 24ft. 3 7-8in. in the broad jump by Bob Clark, California; 1m. 53.5a. in the half-mile by Estel Johnson, the star-dy S.C. sophomore; 48.2a. in the quarter by Al Fitch, the blond-thatched sensation from the sunny Southland.

Bob Raftery, the bull-necked Bear, won the mile by virtue of a last-second drive which carried him to the top inches ahead of Slim Francis Benevides, Trojan ace. The time was 4m. 24.7a.

Bill Smith, long-jawed Texas ranger, led the parade for the first lap, with Charles Moore taking the lead for California the second time around. The three Bears, Moore, Raftery and Kitchell, worked ahead

of both Smith and Benavides on the gun lap, but little "Bennie" passed all three on the back stretch. However, Raftery was too strong for him.

Wally Monroe, the third Trojan entry, was last all the way. His "dogs" were barking badly.

FITCH 4th VICTOR

Johnny McCarthy let Al Fitch win the quarter under orders. Dean Bartlett Cromwell didn't exactly care for McCarthy's recent statement about that 4th quarter, and told him to run for points and not for records. The record will come in due time, predicts Cromwell. So Johnny followed orders, and the Trojans garnered 9 digits as Harry Tompkins took the third place easily from Everett Leek, the best Bear runner. Fitch's time of 48.2s. was a new meet record. There wasn't more than a whisker's difference between Fitch and McCarthy, while Tompkins was about two yards to the rear.

"Bullet Bob" Kiesel won both dashes as expected. The century went at 9.5s., and was a new meet record. Kiesel was hard pressed all the way by midget Foy Draper, whose showing was one of the many surprises of the meet. Blood Charley Parsons was third, inches behind.

Draper held Kiesel even for fifty yards in the furlong, but the Berkeley "bullet" drew away steadily, assuming a yard and one-half edge at the finish. Parsons came with a rush to nose out Red Abbott for the second position, with Draper fourth. The time was 21s.

Upsets occurred in both hurdle events. Bob Lyon won the highs in 14.8s. for the Trojans with Clarence Berry spilling the dope by nosing out Dick Coe for second. Len Charvet surprised the packed grand stands by winning the low sticks. While it looked from the stands that Strother, giant Trojan, and Coe, best Bear runner, were fighting for the other places, two Trojans, Ed Ablovich and Ed Hall, running in outside lanes, were given the second and third places, respectively. Timers caught Charvet in 24.1s., which is his fastest to date.

JOHNSON STEPS OUT

Estel Johnson went out early in the half, leading by a goodly margin at the halfway post. He increased his lead rapidly, winning in the spectacular time of 1m. 53.5s. This was also a new meet record. Youthful Dick Brace was timed unofficially in 1m. 55.6s. for second place. Another Bear, Clark Hicker-son, former Los Angeles Jaycee star, was third.

Ferris Webster trailed the 880 field most of the way, cutting loose with a sprint on the back stretch which carried him to second place for a few seconds. However, Webster didn't have the stuff it takes to go places rapidly, and wound up in last place.

Bobby Fowler, 18-year-old Bear sophomore, ran wild on his last lap in the grueling two-mile, winning by a good fifteen years in 9m. 45.8s. Everett Winn and Freddie Lantz took second and third, respectively, for S.C. There wasn't any doubt about the outcome when Fowler began unraveling his long, slender legs.

The shot went according to dope. Hueston Harper won with a gigantic heave of 48ft. 7 1/2-in. Second place went to Dave Meek, the Bear "iron man," who heaved the iron ball 46ft. 1 3/4-in. George Mackey, another brilliant Bear sophomore, did 45ft. 3 3/4-in., which earned him third place.

Hugh Thompson, California high jumper, cleared his usual height of 6ft. 1m., which was good enough for a tie for first with Will Brannan, leading Trojan, who wasn't quite up in the air enough today. Bud Spicer did 6ft., to gain third place for the Trojans.

Another slight upset happened in the broad jump, where Marshall Treadwell nosed out Al Olsen of S.C. for second. First went to California's well educated broad jumper, Bob Clark, who came to Berkeley on some kind of a record quadruple play, Covina High to Citrus Jaycee to Arizona University to Passa-

dena Jaycee to California. Clark did 26ft. 3 1/2-in., which was another new meet record.

Treadwell's best was 23ft. 4 1/2-in., while Olsen did 22ft. 3 1/2-in.

Southern California led the relay all the way, although the Bear baton-passers were close behind, except when John McCarthy put on the steam in the final dash for the tape. The time was 3m. 29.5s. Bob Reed, Harry Tompkins and Al Fitch were the other members of the winning quartet.

The glory that was California's in the good old days, isn't far away. Wait till next year, about the Berkeley forces; but what size can they say?

It was a brilliant attempt for victory, and definitely establishes Brutus Hamilton, Bear coach, as one of the best in the business. The summary:

BOXERS SUSPENDED BY ATHLETIC BOARD

SACRAMENTO, April 7. (UP)—Three boxers were suspended indefinitely because of having no ability and one was put out of the ring for one month for the good of the game by the State Athletic Commission today.

George Rosenkrans of Los Angeles was set down for one month and the others who the commissioners said had no ability are Young Evangelista of Stockton; Kid Avallino of San Francisco, and Robert L. Wright of Oakland.

BENNY MILLER DONAHUE

Benny Miller, Boyle Heights Hebrew, who ran afoul of Art Lasky's thudding fists in his last start, will essay a comeback in his own division, the light-heavy, Friday night when he engages Billy Donahue, New York Irishman, in the ten-round main event at Hollywood Legion Stadium.

Miller rightfully reasons that against a 175-pounder he can do far better than in invading the unlimited division and in Donahue he meets a rival who, like himself, is eager for battle and who recently gave Frank Rowsey a great battle after a somewhat belated effort.

Benny is already bearing down in his drill at the Manhattan gym and from the pace he has been hitting with his sparring partners figures to be in splendid shape for the impending contest. Donahue has spent some time in the Lake Tahoe region with Max Baer, where the Livermore butcher boy is attuning himself for his tilt with Primo Carnera.

Charley MacDonald, manager-matchmaker, is backing up his feature battle with five four-rounders
