

BOYS OUTDO THEMSELVES D TO RUN AWAY WITH MEET

Southern California Scores Easy 82 2-3 to 48 1-3 Win Over Rivals as Records Fall

BY BRAVEN DYER

Exceeding the wildest hopes of their most ardent supporters, the Trojans of Southern California swamped Stanford's track-and-field squad before 15,000 fans at the Coliseum yesterday afternoon. The Redskins were buried under a score of 82 2-3 to 48 1-3, which was seven points more than the author's dope sheet of 75½ to 55½, this in turn being the most lopsided estimate printed in these parts.

Ability to equal or surpass their best previous marks of the year and failure on the part of many Stanford athletes to measure up to expectations were the deciding factors in the outcome, which made the score the second largest S.C. has ever hung on the Indians. In 1930 the Trojans won, 84 1-12 to 48 1-12.

Fired to great heights because of the loss of their captain, Gus Meier, the Redskins gave everything they had, but it wasn't enough by a long shot and not even the presence of their great hurdler could have prevented the Trojans from winning yesterday. The local boys were hot and took the lead on the second event of the day and were never headed. I gained the impression that some of the Stanford lads were too anxious to make up for Meier's loss and thus failed to reveal their best effort.

RECORDS SHATTERED

The crashing sound of records falling was heard all over the Coliseum. Four meet marks were shattered and two tied. Honors in this respect were divided evenly between Stanford and Trojan competitors.

Little Chuck Nimmo of Stanford tied Trojan Cliff Halstead's mark of 4m. 21.2s. for the mile and could have cracked the standard had he not been saving himself for a second race.

Bob Lyon of the Trojans equaled the 11.7s. record established in the high hurdles by Jeddie Welsh of S.C. in 1932.

Everett Winn, another Trojan, ran the two-mile in 9m. 41.1s. to erase the former standard of 9m. 41.8s. hung up by Earl Callahan of S.C. two years ago.

Little Fay Draper, the only double winner of the day on the track, shattered Charley Paddock's mark of 21s. flat for the furlong, running the distance in 20.8s. Paddock's time had stood since 1921, and the Knight of Montenegro was on hand to see S.C.'s sophomore do his stuff.

John Holtzram of Stanford tossed the javelin 210ft. 11in. and thus obliterated Leo Kirby's record of 210ft. 11in. established in 1923.

John Lyman, great Redskin weight star, shoved the shot 54ft. 5-8in., and this effort scratched out his own record of 53ft. 1½in. made only a year ago.

There were no less than seven events in which Trojan performers outdid themselves. Such being the case, it is impossible to hand the palm to any single individual, but when the roll is called for heroes the names of Ferris Webster, Curtis McFadden, James Purple, Houston Harper and Bob Lyon must be given positions of prominence. They achieved unexpected distinction by outdoing themselves where practically all the other Trojans performed right up to expectations.

LINES MARRIED LIFE

You could write an entire yarn about Bridegrooms-Webster, for instance. Married only a week ago, Ferris was the only runner with enough stuff to place in two distance races. His seconds in the mile and 800 were totally unexpected and achieved only by a brilliant display of determination. They say that Webster's bride, the former Louise Bramlette of Palm Springs, ordered Ferris to go out and score some points. Inasmuch as most wives generally get their way there could be but one result. It is doubtful, however, if even Mrs. Webster anticipated such a display of running ability on the part of her husband. After what Ferris did yesterday there is danger of a wild rush on the part of track athletes to work in double harness.

Stanford led only after the first event had been run in which Nimmo, as expected, had too much finish for Francis Benavides and won by himself. Webster's terrific finish carried him into second place ahead of the fading Benavides. The last lap was a wild scramble with Bill Smith of Troy taking the lead around the first turn, Benavides grabbing it next and then Webster taking the front position around the final curve. All the time Nimmo was coasting along well up with the lead-

TROJANS SWAMP STANFORD TRACKMEN

(Continued from First Page)

ers and when the proper moment arrived he applied the pressure coming down the home stretch and won by four yards over Webster with Benavidez ten yards back.

CENTURY TURNING POINT

The 100-yard dash really sounded Stanford's death knell for Draper not only took first but blond Charley Parsons swept into second place with a yard to spare over Willson of the Indians. Draper ran a great race, off like a flash and with plenty of finish, to win by two yards.

Stanford got some measure of revenge in the next event, the 440, when Al Blackman proved himself a gritty competitor by nipping John McCarthy at the tape in 47.8s., after the Trojan runner had led all the way to within inches of the ribbon.

McCarthy piled up a margin of three yards down the back stretch by virtue of a much faster start than he generally employs, and it took every ounce of energy at Blackman's command to catch John at the finish. There was no contest for third, Harry Tompkins being an easy victor here.

The high hurdles brought great grief to the Stanford fans and practically insured S.C. of victory when Sam Klopstock, a great timber topper, stumbled over a barrier early in the race and Lyon went out in front and stayed there despite a marvelous fighting finish on the part of the little Redskin.

HIS FASTEST RACE

Klopstock came up with such amazing speed after his unfortunate stumble that Lyon had to run the fastest race of his life to win, with Clarence Berry third for the Trojans.

Results of the shot put tricked in at this time and brought a thunderous cheer from the Trojan rooting section when it was announced the co-captain, Harper, who can't get himself fired up over football, had uncorked the third best heave of his life and beaten Slinger Dunn for second place, where the best S. C. had expected was one point.

In justice to Dunn, who failed to qualify for the discus where he had been expected to win, it should be stated that he has been competing under a terrific strain, due to the recent death of his mother.

John Lyman's gigantic heave of 54ft. 5-8in. was the second best he has ever done and gave the crowd a chance to holler. Harper's effort of 50ft. 11 5-8in. was only three-fourths of an inch better than Dunn's.

The two-mile was next and Troy's twins, Winn and Fred Lantz, ran away with eight points. Winn had forty yards on Lantz and half a lap on Azevedo at the finish, the latter slowing down when it became apparent he would take third because all other runners had dropped out. Coach Dink Templeton changed his mind at the last minute and entered

Nimmo in this race rather than the 880, but neither Chuck nor Benavidez, who also ran, could finish.

BRANNAN BEST

This gave S. C. a margin of 33 to 21 at the time and results of the high jump increased this total when Will Brannan was the only man to clear 6ft. 4in. Lloyd Schween of Stanford gave the Trojan a real battle until the bar was boosted beyond 6ft. 3in. and got second place with two Trojans tying one Indian for the odd digit.

Estel Johnson then went out and won the 880 without exerting himself unduly and there was little excitement until the finish when Webster hogged the limelight once more with a terrific spurt, which carried him into the tape inches ahead of Joe Burris for second place. Nobody expected Ferris to run this event after having taken part in the mile but Webster insisted and was found laughing in his coach's arms after the race ended. Johnson's time was 1m. 55.8s. and he had no competition. Olson of the Trojans was disqualified for unintentionally jostling Sorenson on the back stretch.

Stanford cheers rent the air when Bud Sales sneaked into second place behind Mottram in the javelin with a fine throw of 193ft. Quinn, best of the Trojans, could do only 184ft. for third.

DO IT AGAIN

Draper and Parsons repeated their one-two act in the furlong, but Al Blackman almost nipped Charley at the tape in a close finish.

The low hurdles came next and Klopstock, who had worked himself into quite a lather as a result of being beaten in the highs, gained revenge by running the abbreviated barriers in 23.2s., the fastest time of his life. Ed Hall was a close second for Troy, with Ed Ablowich, who was slowed down by hitting a hurdle, in third place.

Meanwhile there had been a lot of excitement around both the broad jump and the pole vault where Trojan competitors were dominating the situation.

Curtis McFadden, who was almost left out of the meet by his coach, was very annoyed at this oversight and showed up everybody in the arena by leaping 24ft. 5 3-4in. Stimulated by this feat, Marvin Crawford and Al Olson went out and grabbed second and third to give the Trojans the only clean sweep of the afternoon. Neither Paul Zaches nor Phil Williams of Stanford came within six inches of their best jumping this season.

RAH FOR FIMPLE

Fimple had been giving Trojan rooters high blood pressure by clearing each successive height in the pole vault along with Bud Deacon, who had been a heavy favorite, to win. They finally ended on even terms when neither could negotiate 14ft., and Hooker of S.C. took third at 13ft. Fimple's effort was the

best he has ever done.

Dunn's failure to qualify in the discus gave S.C. second and third with Carpenter and Chrisman, who like Lyman, the only double winner of the day in the field, were below their best marks.

The relay was a foregone conclusion as far as first place mattered for Templeton ran Dear, Davis, Williams and Nimmo, a makeshift team, against Reed, Fitch, Tompkins and McCarthy, who broke their own school record by running 3m. 14.4s. A brilliant lap by Al Fitch was the main reason for this time.

After their performance of yesterday the Trojan athletes deserve a better reward than to be left out of the I.C.A.A.A.A. meet. The kids have that trip coming and ought to get it, particularly inasmuch as there is no doubt as to the financial success of the N.C.A.A. meet here in June, for which the Trojans have guaranteed \$20,000.

Seniors scored only 20 of S.C.'s points yesterday, which means that there will be a pretty fair squad around again next season.

How Trojans Tripped Stanford

ONE-MILE RUN—Benevides led all the way till last half lap with Nimmo second, when Webster challenged. Nimmo took lead on last turn to win by two yards, with third place five yards back of second. Time by quarters, 63s., 70s., 70s., 60.2s. Won by Nimmo (S.) Webster (S.C.) second, Benevides (S.C.) third. Time, 4m. 23.2s. Equals meet record.

100-YARD DASH—Away to a good start except Willson. Draper by a yard at 50-yard mark. Winner by one and a half yards, third place one yard back of second. Won by Draper (S.C.), Parson (S.C.) second, Willson (S.) third. Time, 9.8s.

440-YARD RUN—Run in lanes for the first 220 yards. McCarthy on the pole led Blackman by two yards at the half-way mark in 21.7s. Blackman challenged on the turn, running outside, followed by Tompkins. McCarthy and Blackman both tied up in stretch, but Blackman carried on to win by four inches, with third place two yards back of second. Won by Blackman (S.) McCarthy (S.C.) second, Tompkins (S.C.) third. Time, 47.6s.

120-YARD HURDLES—Away to a good start, but Klopstock crashed into first hurdle and knocked second hurdle down, but finished fast to lose by two feet with third man three yards back. Culp (S.C.) knocked down two hurdles and left track after seventh hurdle. Won by Lyon (S.C.) Klopstock (S.) second, Berry (S.C.) third. Time, 14.7s. Equals meet record.

SHOT PUT—Winner's puts 53ft. $\frac{1}{2}$ in., 54ft. $\frac{5}{8}$ in.; foul 51ft. 5 $\frac{3}{8}$ in.; 53ft. 1 $\frac{1}{4}$ in., 52ft. 7 $\frac{1}{2}$ in. Dunn went into second place on next to last put with slightly over 50ft., but Harper then made best put of 50ft. 11 $\frac{1}{2}$ in., which Dunn failed to equal by less than an inch on his final toss. Won by Lyman (S.) 34ft. $\frac{5}{8}$ in.; Harper (S.C.) second, 50ft. 11 $\frac{1}{2}$ in.; Dunn (S.) third, 50ft. 10 $\frac{1}{2}$ in. New meet record.

TWO-MILE RUN—Winn and Lantz led all the way and were fifteen yards in front of Azevedo at the mile, which was covered in 4m. 48s. Only three men running at the finish. Second man's time 9m. 46.9s., third 10m. 25.6s. Won by Winn (S.C.) Lantz (S.C.) second, Azevedo (S.) third. Time, 9m. 41.1s. New meet record.

HIGH JUMP—Smith (S.) failed at 6ft. 1in. and Arthur (S.) Kerr (S.C.) and Spicer (S.C.) failed at the next height. Schween (S.) and Brannan (S.C.) cleared 6ft. 2in. and 6ft. 3in. and the winner cleared 6ft. 4in. on his final attempt. Won by Brannan (S.C.) Schween (S.) second, Arthur (S.) Kerr (S.C.) and Spicer (S.C.) tied for third.

380-YARD RUN—First 220 yards run in lanes. Johnson spurted out at once to lead by fifteen yards at the halfway mark in 55s., with Sorenson,

Olson, Webster and Burris bunched. On backstretch Olson bumped Sorenson slightly and was disqualified by the officials, though the incident was deemed accidental and had no result on the outcome of the race. Burris went into second and held it almost to the tape where Webster's terrific spurt nipped him in 1m. 59.2s. as against Burris's 1m. 59.7s. Won by Johnson (S.C.) Webster (S.C.) second, Burris (S.) third. Time, 1m. 55.8s.

JAVELIN THROW—Mottram led from the start and was never in danger and the competition wasn't close. Won by Mottram (S.) 212ft. 3in.; Sales (S.) second, 193ft. 6.2in.; Quinn (S.C.) third, 184ft. 5.3in. New meet record.

220-YARD DASH—Off to a good start with Draper away in the lead and Parsons and Blackman fighting for second. Abbott pulled up at 150 yards. Less than a yard separated the first three runners. Won by Draper (S.C.) Parsons (S.C.) second, Blackman (S.) third. Time, 20.9s. New meet record.

220-YARD HURDLES—Klopstock went into the lead at the second hurdle and gained speed as he went along, though he eased slightly over the last barrier and Hall almost caught him, with third place three yards back. Won by Klopstock (S.) Hall (S.C.) second, Ablowich (S.C.) third. Time, 23.2s.

BROAD JUMP—McFadden took the lead by a fraction on his first jump and improved to get his winning jump on his final qualifying leap. Other Trojans improved on final jumps, while Stanford entries had difficulty hitting the take-off. Won by McFadden (S.C.) 24ft. 5 $\frac{3}{8}$ in.; Olson (S.C.) second, 23ft. 5 $\frac{1}{2}$ in.; Crawford (S.C.) third, 23ft. 4 $\frac{1}{2}$ in.

DISCUS THROW—Dunn, the favorite, was unable to get a good throw and Carpenter led until Lyman's final toss. Won by Lyman (S.) 147ft. 3.4in.; Carpenter (S.C.) second, 142ft. 8.2in.; Chrisman (S.C.) third, 141ft. 2.4in.

POLE VAULT—Fimple surprised by clearing 13ft. 6in. easily, but failed badly at 14ft., while Deacon got over the bar three times at that height but knocked it off. Tie for first between Deacon (S.) and Fimple (S.C.) at 13ft. 6in.; Hooker (S.C.) third at 13ft.

RELAY, FOUR-MAN MILE—Reed (S.C.) and Dear (S.) finished first lap practically even, but Fitch (S.C.) piled up a 25-yard lead on Davis which was added to by Tompkins and McCarthy over Stanford's pick-up team which finished in 3m. 25.6s. Lap times for winner, Reed, 50.1s.; Fitch, 47.9s.; Tompkins, 48.6s.; McCarthy, 47.8s. Won by Southern California, Stanford second. Time, 3m. 14.4s. New meet record.
