MILWAUKEE, June 30. (AP)—In

a thunderbolt finish that stirred the emotions of 12,000 swelling spectators, Princeton's Bill Bonthron conquered his rival, Glenn Cunningham of Kansas, in the 1000-meter run today to smash all existing records for the distance.

Bonthron came from behind to defeat Cunningham, holder of the world's record for the one-mile run, and provide a thrill for the forty-seventh national A.A.U. outdoor track and field championships in which three world records were broken.

He conquered Cunningham by two feet in the sensational time of 3m. 48s. It seemed inconceivable that Bonthron, trailing the struggling Cunningham by fifteen yards, could ever close the gap between them.

CROWD GASPS

When he was 100 yards from the finish, Bonthron opened up with a sprint that left the crowd gasping. Ahead of him was seventy yards of gray-black cinders with Cunningham driving his legs into the track with every ounce of his failing energy.

Inch by inch Bonthron began to creep up on Cunningham. When they were twenty yards from the finish he caught the Kansan and for a few feet they ran shoulder to shoulder.

In a flash, Bonthron moved ahead. The stop watches snapped. The white tape parted as Bonthron bounded into it, looking over his shoulder at the exhausted features of his rival, who two weeks ago had conquered him by forty yards in a mile race at Princeton in which Cunningham set the new world's record.

Officially there were five starters in the race, but actually there were only three—Bonthron, Cunningham and Gene Venke of Pennsylvania and the New York Athletic Club. Venke failed to figure after the first lap. He set the pace for the initial trip around the track and then, at 500 yards, Cunningham swept past him, with Bonthron trailing.

After that Venke became the "forgotten man." So great was the interest in the amazing duel between Cunningham and Bonthron that few of the spectators even noticed where Venke finished.

Bonthron gave every ounce of his energy to defeat his rival in this, their fifth race. He collapsed after finishing. He was revived quickly, but was unable to take part in the victory ceremony for him.

THIRD TIME

It was the third time that Bonthron had beaten Cunningham in their five sensational matches, which have been run on both sides of the continent. They had beaten each other by inches indoors, then came their third meeting in which Cunningham established the record of 4m. 8.7s. for the mile. The Princeton star came back to beat Cunningham in the N.C.A.A. mile run at Los Angeles last week.

The hot, sultry afternoon, with a temperature of around 90 on the Marquette University field, saw records fall like chaff in the wind. After the day's competition was over, three world's marks had been smashed, nine meet records had been broken and another was tied.

The New York Athletic Club, the defending champions, won the team championship by amassing 44 7-12 points, with the Olympic Club of San Francisco second with 33 and Louisiana State third with 18. Marquette trailed fourth, with 13, and Boston A.A. fifth, with 11.

A few minutes after the meet opened, Jack Torrance of Louisiana State University, tossed the sixteen-

pound shot to a new world's record of 55ft. 5in. on his first attempt. He eclipsed his own record of 55ft. 1 1/2 in., set at the Drake Relays two months ago. Glen Hardin, a teammate of Torrance, smashed the world's record in the 400-meter hurdles, winning the event in 51.8s. to wipe out the old mark of 52s. established by F. Morgan Taylor in 1928.

Ralph Metcalfe, Marquette's great Negro sprinter, achieved the distinction of winning both the 100 and 200-meter races for the third consecutive year, tying the record of Bernie Wefers, coach of the New York A.C., who in 1905, 1906 and 1907 won both the national A.A.U. sprints.

Metcalfe was challenged only in the 100-meter race in which he beat out Jesse Owens, Negro freshman of Ohio University, by a foot, in 18.4s. to tie the national A.A.U. record set in 1922 by Eddie Toisan, former University of Michigan Negro sprinter.

The 200-meter dash was a romp for Metcalfe, who won by five yards in 21.3s. Metcalfe also ran as anchor man on Marquette's winning relay team in the 400-meter event. Metcalfe was in second place when he took the baton, but sprinted to a victory with a yard to spare.

Metcalfe chalked up 10 points to lead the individual performers in the meet.

Owens, the Ohio State Negro, was next to Metcalfe in high-point scoring, chalking up 8 by his victory in the broad jump and finishing second in the 100-meter dash, while Torrance scored 7 points in winning the shot put with his record-breaking heave and taking third place in the fifty-six-pound weight event.

The heralded duel between Ben Eastman, former Stanford half-mile, and Charles Hornbostel of Indiana, failed to materialize. They hooked up in the 800-meter run, but Hornbostel never was a dangerous contender, finishing third with Eastman winning the event by twenty yards in 1m. 50.4s. to establish a new meet record.

WOODLAND NINE OUT OF SACRAMENTO LOOP

WOODLAND, June 20. (CP)—Because the Woodland team is being withdrawn from the Sacramento Valley League, J. O. Motroni, principal owner of Clark Field here, announced today the stands would be torn down. Lack of support was the reason given for withdrawal of the team from the league.
