

THE START OF A MAJOR UPSET

Picture shows Sam Klopstock, figure in white, hitting the first hurdle in yesterday's high hurdle race at the Coliseum. Bob Lyon, No. 22, went on to win for the Trojans, Klopstock taking second. Clarence Berry, third, is No. 11, while Gene Culp, No. 5, finished under orders a couple of minutes after the race had ended. He hit a hurdle and ran thereafter with only one shoe on. The time of 14.7s. tied the meet record and the result, due to Klopstock's miscalculation, was a surprise. [Times photo by Fred Coffey]
