

## Southern California's Four Horsemen Ready for Bear Meet

Upon the shoulders of these four young men rests a good portion of Southern California chances of victory against the highly touted Golden Bears of Berkeley. The two rival track squads clash Saturday in the Coliseum. From left to right: Freddie Lantz will run the two-mile against the favored Bob Fowler of Berkeley; Ray Cartwright (second) hopes to snatch a second place in the half-mile behind team-mate Ross Bush although Dick Brace of the Bears

figures to be in the money; Foy Draper (third) hopes to take second in both sprints with George Anderson of California a cinch to win; Al Fitch (fourth) should place in the quarter. Al won last year but team-mates John McCarthy and Jim Cassin rate above him right now. Ev Leek, the best of the Bears has done 48.9s., so Fitch will have a busy afternoon.
