

## Just a Breeze for Ohio State's Record-Buster

Winning in a breeze is Jesse Owens, Ohio State's star athlete, as he romps home in the 100-yard dash in 9.4s., tying the world's mark. The Negro flash was aided by a slight wind. He took four firsts as the Buckeyes tied Southern California, 7½

to 7½, yesterday at Columbus, O. Here he comes to the tape with Adrian Talley, Foy Draper and George Boone, left to right, trailing him. Draper was second and the other Trojans tied for third.
