

# CASSIN RUNS SPEEDY HALF

---

*Trojan Does 1m. 55.9s. for  
880; Frank Wykoff in  
9.8s. Century*

---

An old-timer hitting the comeback trail and a youngster on his way to the top sparkled yesterday at Bovardo Field in an informal cinder meet conducted under the eyes of Trojan Coach Dean Cromwell.

Frank Wykoff, trying to regain the form which carried him to two Olympic Games, dashed a century in 9.8s. Jimmy Cassin, Trojan quarter-mile hope, did a half mile, for a change, and Cromwell was more than satisfied with the time of 1m. 55.9s., one of the best marks turned in on the coast to date. He was without competition for most of the distance.

## SHOWS OLD FORM

Wykoff, Carpinteria school-teacher, drives to Los Angeles every week-end to drill at Bovard Field and yesterday showed some of his old-time ability.

George Boone finished second to Wykoff in the sprint with neither Al Fitch nor Foy Draper running.

## FAST HURDLES

Lee LaFond and Lucien Wilson flitted over 220 low hurdles, around a curve, in 24.6s. with Lloyd Olson and Dick King following them. Roy Staley skipped over the high sticks in 14.8s.

Marvin Busby pushed the shot 46ft. 6¼in. with Clarence Schleimer next and Loren Miller third. The high jump was a tie between Randall Spicer and George Carter at 6ft. 1in., while Bob Bonebrake copped a quarter mile in 50.9s. with Estel Johnson second and Bob Olson third.
