CHICAGO, June 28. (Exclusive)

A brilliantly performing Southern California team, led by Kenneth Carpenter, the outstanding individual performer, easily dominated the fifteenth national collegiate meet today at Stagg Field before a crowd of 10,000 who watched the nation's stars battle for qualifying positions in the final American Olympic trials.

It was a meet packed with close finishes and spectacular individual performances, in which two world records were smashed.

Carpenter performed one of the most noteworthy achievements of this year's campaign by breaking the world's discus record. He tossed the platter 173ft. The accepted world mark was 171ft. 11 1/2 in. made by Harold Anderson of Sweden two years ago.

### OWENS SETS RECORD

For the second year in succession, Jesse Owens won four championships. He accounted for more than half of the points which placed his team second to the victorious Trojans. In one of his races, the 100-meter dash, the fleet colored lad, captain of the Buckeyes, surpassed the accepted world's record of 10.3s. by one-tenth of a second, and equaled the national collegiate mark set on this same track four years ago by Ralph Metcalfe of Marquette. Metcalfe never applied for international approval.

The Trojans scored in all events except two and piled up 18 1/2 points to dominate the competition. Ohio State scored 73 points, and 40 of these were the work of Owens. Indiana, led by the brilliant Don Lash who made his first try at 5000 meters, the distance he hopes to run for Uncle Sam in the Olympic meet at Berlin, finished third in the team standings with 42 points. Stanford was fourth with 23 points, while California took seventh place with 17.

### FOY DRAPER SECOND

Foy Draper of Southern California was second to Owens in the 100 meters.

Thirty-three colleges and universities from all sections of the United States won points in the meet.

But Carpenter, by any standard of measurement, must receive greatest individual acclaim. The Trojan giant's toss of the discus 173ft., more than one foot farther than it ever has been thrown in the history of one of the original events of the Greek Olympics, an event recorded permanently in stone by Praxiteles. Carpenter's tremendous throw surpassed the modern Olympic record by nearly eleven feet.

### KENNY'S ON HIS WAY

By virtue of today's performance Carpenter should lead America's weight men to victory at Berlin.

From the writer of excellent records today, four national collegiate records, and one American record were gleamed, in addition to the two world records.

These records were: Alton Terry's javelin throw of 226ft. 2 3/4 in. for a National Collegiate record and the best performance by a native American. Matti Jarvinen, 1932 Olympic champion at Los Angeles and world record holder, also has the American mark.

### GLEN'S MARK BROKEN

Archie Ryan Horvath, students teacher at Emporia, Kan., won the 100-meter race in 30.5s. to establish an N.C.A.A. record. By his

brilliant race, in which Indiana's Lash finished third. San Roman erased the record of Glenn Cunningham of Kansas, made at Stagg Field in the Olympic trials four years ago.

Earle Meadows and William Belton, Southern California's two vaulters who defended joint ownership of this National Collegiate title, again finished in deadlock today. But they raised the permanent record to 14ft. 1 3/4-in.

## GEORGIAN COLLECTS

To this grist should be added the marks in Friday's preliminaries. Forrest Towns of Georgia that afternoon broke the accepted world record for 110-meter high hurdles. He was timed in 14.1s. Today Towns won this championship after a duel with Dan Caldemeyer of Indiana. The time, however, was one-fifth of a second slower.

In the trials Archie Williams of California set a world mark of 48.2s. for 400 meters around one turn. Today, racing around two turns, Williams won the championship in 47s. after a stiff fight with Al Fitch of the Trojans. Hal Smallwood of Southern California was third. Williams, running in lane six, won the decision by inches. Pacific Coast runners took all scoring points except fifth, which went to Ray Ellinwood of Chicago, holder of the Western Conference quarter-mile title.

## STERLING EXHIBITIONS

Chink Wallender of Texas equaled the world's 100-meter record Friday. Poy Draper equaled the Olympic 200-meter mark and Herschel Neil of the Northwest State Teachers' College established an N.C.A.A. record for the hop, step and jump.

No signal event held complete attention better than Lash's 800-meter victory. This grueling race was won by the Hoosier, who last week at Princeton set a new world mark for two miles in the excellent time of 14m. 38.2s. While Lash was merely a half-minute slower than the Olympic record of Lauri Lehtinen, he labored under the handicap of his previous 1500-meter run. There is every reason to believe he will be a serious contender for international honors this year.

## MAKES RIVAL QUIT

Lash led briefly during the second lap, resumed the lead at the end of the first mile, which was run in 4m. 46s., and then forced his nearest competitor, Barney Godwin of West Virginia to quit at the end of two and a half miles. Tommy Deckard, also of Indiana, finished second to the Hoosier star, and Jimmy Smith of the same team was fourth. Kenneth Waite of Michigan State was third.

400-meter hurdles—Won by David McKinley, Nelson, Oklahoma; Paulsen, Penn State; Washington State; B. Stunt, Neb. (Ind.); State Teachers, Fullerton, California. Time, 54.4s.
