

Troy Miss Off for Final Trials

Dorothy Dunphy, 22-year-old Trojan miss, is the latest addition to the Southern California contingent of athletes who are invading the East to participate in the American Olympic final trials.

Miss Dunphy, who left by TWA plane, has been practicing seriously this spring and is confident of surprising some of the more widely known women sprinters in the 100-meter dash. The meet will be held at Providence, R. I. Saturday and Sunday.
