

Wilson Star as Trojans Stage Drill

Coach Dean Cromwell's Southern California tracksters, who have been surrounded by a veil of something akin to secrecy all spring, were partially unwrapped yesterday in a practice meet at Rancho La Cienega Playground with members of the Southern California Athletic Association and a few unattached athletes.

No score was kept in the unofficial competition but the Trojans succeeded in taking all but three first places.

WILSON SAILS HIGH

The outstanding achievement of the day was credited to Johnny Wilson, Troy's one-shoe-on, one-shoe-off high jumper who cleared the bar at 6ft. 8in. Harvey of S.C. cleared 6ft. 6in. but got only third place.

Leroy Weed, sophomore galloper, upset Louie Zamperini in the mile, winning in 4m. 18.7s. Zamperini is temporarily ineligible because of a grade incomplete which is expected to be made up within the next week. Louie was about four yards back.

ANDERSON WINS, LOSES

Mickey Anderson of Troy came fast in the last half of the race to beat out ex-Trojan Payton Jordan by a foot in a 9.7s. century but he lost to Cliff Bourland, ineligible Trojan now competing for the S.C.A.A., in a 22s. furlong.
