

# Warmerdam Tops 15ft. in Vault

POCATELLO (Ida.) June 6. (AP) — Cornelius Warmerdam vaulted 15ft. 1 $\frac{1}{8}$ in. today at the Intermountain A.A.U. track and field meet in the University of Idaho Southern Branch stadium.

It was the Piedmont school teacher's 25th ascent to a height of over 15ft. — a level never reached by any other pole vaulter—but it fell far short of his best previous attempt, the mark of 15ft. 7 $\frac{3}{4}$ in. he set May 23 at the Northern California Relays.

Jim O'Reilly of the University of Southern California ran the 100-yard dash in 9.7s., one-tenth of a second over the Intermountain A.A.U. record.
