Cromwell Sends Squad Through Interclass Meet on Bovard Field

A bunch of the boys—Coach Dean Cromwell's Trojan track athletes—will whoop it up for the first time on Bovard Field this morning in an informal intersquad meet scheduled by the Dean for 11 a.m.

Just what events are on the program is unknown, because for this first competition of the year Cromwell isn't quite sure just who of his boys will show up.

It's a pretty good bet, however, that Jack Trout, Cliff Bourland and Hubie Kerns will be on their marks for a sprint race. All three boys have been working out rather energetically for the past week.

Earl Audet, the giant shot putter who has marks of around 54 feet to his credit, will try to exceed the Bovard record of 52ft. 8in., held by Carl Merritt.

The Trojan track schedule is now pretty well set as follows:

- Feb. 27—Oxy handicap meet at Oxy.
- March 12—Olympic Club indoor meet at San Francisco, invitational events.
- March 20—Southern California college relays at Pomona, invitational events.
- April 17—Southern California college all-stars and U.C.L.A. at Coliseum.
- May 1—U.C.L.A. dual meet at Coliseum.
- May 8—California dual meet at Coliseum.
- May 22—West Coast relays at Fresno.
- May 29—Coliseum invitational. A.A.U.
