

Trojans' Star Has Excelled Merritt Mark

In his first appearance in Trojan varsity uniform, Earl Audet, the big ex-Georgetown boy on Dean Cromwell's University of Southern California track team, can make himself a new meet-shotput record in the handicap meet against Occidental College and City College at Patterson Field Saturday afternoon.

Carl Merritt now holds the meet record at 50ft. 11in. He set the mark last year at Patterson Field.

Last week Audet almost reached the figure and he has marks in excess of 50ft. to his credit in past seasons.

The only other mark that is in danger, the 440 record of 49-1/2, set by Howard Upton of the Trojans in '38, will depend on whether Cliff Hourland, the Trojan captain, runs in the sprints or the quarter mile.

Right now Cromwell thinks he will limit Cliff to the dashes.

Following are the Trojan-Occidental dual meet records based on scratch performances:
