

Stanford's Bryan in Triple Win

BY JOHN DE LA VEGA

SC stretched its dual track meet mastery over Stanford to 16 years yesterday as they downed the gallant Tribesmen, 71-60, before some 5000 fans at the Coliseum.

But the Trojans were forced to use every available hand, plus a bit of strategy, before they could apply the clincher. First places were evenly divided, seven for each with one tie.

Coach Dean Cromwell's charges started fast, scoring a surprise sweep in the mile, unexpected third in the 440 and an unlooked-for second in the 100. But just when it looked like the Stanfords were done for they gathered their forces and stayed on the pace until the closing events.

Going into the final mile relay SC had the necessary winning margin, 66 points, and took the baton chase by 18 yards as Coach Jack Weiershauser elected to keep out two of his top men.

Brilliant Performance

Competing with an injured thigh muscle, Stanford's Gaylord Bryan was the day's most brilliant performer. He took the broad jump at 23ft. 9in., tied for first in the high jump with Troy's Tom Follis at 6ft. 3½in. and then upset Ronnie Frazier of SC in the low hurdles. Frazier was trailing by three yards going over the 10th and final hurdle, hit it and barely managed to keep his equilibrium to salvage second place. The time was 23.5s.

Two marks topped anything registered on the Coast this year. Otis Chandler, the Tribe's giant sophomore, not only won out in his shot-put duel with Bill Bayless of SC but turned in a 53ft. 4in. effort. His 53ft. 2in. put two weeks ago was the previous top. Bayless could get the iron bulb out only 51ft. 8½in.

Montgomery Sharp

Troy's John Montgomery, a brilliant performer on the practice pit, came through to nab the pole vault with a 14ft. 4in. leap. It was a good thing he picked this spot, too, because Bob Hart, SC's more consistent flier, could clear only 13ft. 6in. and tied with Bill Larson of Stanford for the runner-up spot.

Fell-Mel Patton, to the surprise of exactly no one, annexed both sprints. The Trojan speedster equaled the meet mark of 9.6s. in the 100 with something in reserve and then romped to a 10-yard triumph in the 220 at 21s. flat.

Roland Sink contributed victories in the mile and two-mile. He cut loose with a 59.7s. final lap to fake the four-lapper in 4m. 28.9s. and turned the last lap in 60s. flat as he won the eight-lap grind in 9m. 34.2s. It was in the mile than Al Lyons of the Indians was outfoxed by Trojans Sink, Carmen Bova and Art Nash. The SC runners maneuvered Lyons to the outside on the last lap, kept him there and then left him in the drive to the tape. Nash also picked up a valuable second place in the two-mile, running it in something like 9m. 46s.

Indian Sweeps

The boys from the Farm came through with their expected clean sweeps in the high hurdles and javelin and Larry Hoff held off Trojan Wells DeLoach all down the homestretch to cop the 440 in the slow time of 49.2s. Downing McKee took the high sticks in 14.7s. with a two-yard bulge over Teammate Darrell Kreitz while Frank Held topped the Tribe clean-up in the spear event with a 200ft. 2in. heave.
