

USC's 9th in Row; Chandler Sets Mark

SEATTLE, May 28.—(AP)—The University of Southern California rolled to its ninth straight Pacific Coast Conference track triumph today with 71½ points as one record was broken and another tied.

Stanford placed second with 42 points, UCLA third with 33 and California fourth with 28½.

Washington State led the northern teams with 24½. Oregon had 20½, Oregon State 10, Washington T. Montana 5 and Idaho 4.

Mel Patton won both the 200 and 300 yard dashes in leading Southern California to victory. A six mile an hour breeze held down the times in the dashes, but Harrier Craig Dixon of UCLA equaled his own conference mark of 23.3 in the low sticks.

RECORD THROWN

Huge Otis Chandler of Stanford put the shot 54 feet 9½ inches to crack the meet mark of 53 feet 8½ set last year by Ed Bayless of USC. Bayless took third today, an inch short of the 53 feet 11½ inch toss of Stanford's Lewis Davis.

A crowd of 12,000, unusually large for a Seattle track meet, watched under a warm spring sun. The spectators seemed to get their biggest thrill from the duel between Oregon's George Rasmussen and Southern Cal's John Montgomery in the pole vault. They tied for first at 14 feet 4 inches, breaking the stadium mark of 14 feet set last year by Rasmussen.

Dixon tied Patton for high point honors by winning both hurdles. They had 10 points apiece.

Dixon won the high hurdle final in 14.3, but in the preliminaries this morning ran his heat in 14.2 to knock two-tenths of a second off the stadium record.

STADIUM MARKS

Stadium marks also tumbled in javelin, broad jump and discus events, although all were shy of the conference records.

Bud Hold of Stanford, with a spear toss of 229 feet 5½ inches, beat the field standard by 16 feet.

Henry Ahara of USC broad jumped 24 feet 9 inches, 7 inches better than the local mark, and the winning discus toss of 164 feet 2½ inches by Taylor Lewis of UCLA was four feet beyond the stadium record.

The meet opened on something of a surprising note when Paul Mello of California defeated his more highly regarded teammate, Kaare Velling, by a yard in the mile. The time was 4:29.4 and, while USC was shut out in this event, the Trojans grabbed the lead after the third event and went on to make it a runaway.

Two of the standard 440 yard races were on the sidelines and Stanford's Larry Hoff took the race in 48.7 seconds.

Joe Nicholas of Washington State, the event's western ace, pulled a muscle earlier in the week and was unable to complete. Frank Johnson of Stanford fell ill after a terrific battle with USC's Wells DeLoach in the morning trials and was scratched from the final.
