

Troy Overwhelms San Jose, Fresno

Attlesey Races Over Highs in 14.1s. as Winners Run Up 115-Point Total

BY BOB WEIDE

Southern California's ever-winning tracksters proved in capital letters they're **READY** for Stanford's talented Indians this week as they thundered to an easy triangular triumph over San Jose State and Fresno yesterday at the Coliseum.

Jess Hill's SC cindermen put 115 points on the elaborate Coliseum scoreboard to finish ahead of San Jose (30%) and Fresno State (16%).

Dick Attlesey, Trojan hurdle star, was an absolute show-stopper as he glided over the highs in the impressive time of 14.1s., second best time in the nation this season, and then came back to annex the 220 lows in 23.5s. Attlesey had never gone the full 220 yards over the low barriers before, either in a meet or practice.

Lawrence Hot

Coach Hill had further cause to rejoice when Al Lawrence, who was quite a star in the Trojan camp way back in 1944-46, finished second to Attlesey in the highs in the fine time of

14.5s., and then was clocked in 23.6s. in grabbing runner-up honors in the lows.

Attlesey's high-hurdle mark eclipsed the SC-Fresno meet mark held by Phil Cope at 14.5s., and his low-barrier time equaled the record claimed by Gil Strother and Earl Vickery.

Bob Pruitt, making his first start in a race other than a relay lap this season, amazed the small but enthusiastic gathering when he positively blazed the final 200 yards to take Teammate Wally Wilson by 10 yards in a scintillating 1m. 53.8s. half-mile.

New Mark

Pruitt's final furlong earned him a new meet record, wiping Louis Zamperini's old mark of 1m. 54.4s. off the record book. Wilson trotted across the final line in 1m. 54.7s. after easing to

a 4m. 18.2s. win in the mile run earlier in the afternoon

Javelin Tossers Larry Goins and Broad Jumper Sam Nicholson gave Coach Hill further cause to rejoice when they came through with the best performances of their careers. Goins, the ex-Pasadena jaysee ace, heaved the spear 204ft. 11 $\frac{1}{4}$ in. and Nicholson leaped 23ft. 4 $\frac{1}{2}$ in., both good for firsts.

Only sour note in Troyville was the failure of the sprinters to crack 10 flat in the 100. Al Mejia nosed out Teammate Johnny Bradley in the mediocre time of 10.1s., but Bradley came back to edge the former Compton star in a more impressive 21.6s. in the 220.

Don Davis, San Jose sprinter, appeared to have finished no worse than third in the 100, but he went unplaced on the far side of the track.

San Jose State High Jumper Mel Martin made the biggest splash of the visitors, climbing higher than SC's vaunted two-some of Jack Barnes and Dick Brombach in the high jump. Martin hit 6ft. 5in., just one inch higher than Sophomore Brombach.
