EDWARDS STADIUM, BERKELEY, Cal., April 5—In an unbelievable form reversal, California's track team actually led SC's mighty Trojans for eleven events of their annual meet today.

Then Troy points rumbled with lightning quickness in the low hurdles, the broad jump, the discus and the relay, and Southern California carried off its tenth successive triumph over Berkeley, 76 1-6 to 54 5-6.

Awaiting the low hurdles, the Bears actually led by 52 5-6 to 46 1-6.

## Upset in 440

The activity began according to Trojan plan. Art Garcia, best miler, withdrew while George Root and Martell Montgomery ran 1-2 through Len Simpson of Cal, third in 4:22.1, established his personal best mark. Root's winning gallop was 4:20.4.

Then, upset No. 1. The 440 was run around two turns, Olympic style. Favored Johnny Bradley of SC, running on the inside, seemed to be leading as he came off the first turn, but he did not finish strongly as Doug Huntze, on the outside of the oval, pumped home a head-rolling first in :49.7 (good for two turns) with teammate Don Timmerman a yard back.

## Davis in 14 Flat

That made the point count 9-9. Next, John George, skinny 133-pound transfer from Tuskegee who wears glasses taped to the sides of his head, outlegged teammate Guy Blackburn in a wind-aided :09.7 hundred, with Trojan Norm Stocks third and Al Mejia unplaced.

SC bounded back on the spikes of Jack Davis, who beat another maroon jerseyed man, Willard Wright, by six yards, in a :14 flat flight of high sticks not recognized as a meet record because of the 6.5 m.p.h. favoring wind. Bear Lippincott was third.

Score tied, 18-18.

Cal was figured to do well in the 880 but a sweep was unexpected. John Nelson picked off favored Lon Spurrier at the string in 1:57.2, with Gail Wet-zork a reasonably close third.

## Stocks Victor

The Cal point edge remained in the 220, when Norm Stocks' :21.8 was the winner, but again little George moved ahead of form for second, with Trojan Mejia third.

By this time field events were perking. California scored 1½

points in the high jump, won by Trojan Jerry Kincheloe at 6ft. 4in.

In the shot, Parry O'Brien was alone at 51ft. 7½in., ordinary for him, but Sam Davis was second and Dex Ragatz third for additional welcomed but surprising Berkeley points.

### Trojans Miss 13ft.

The pole vault could never have been predicted. Dave Seed of Cal won at 13 feet, not his best, but Trojan Al Sandusky took second at 12ft. 6in. and third was a tie between Frank Johnson of SC and Larry Anderson, he of the missing fingers, at 12ft.

When was the last time an SC vaulter couldn't clear 13 feet in a major meet? Shades of Sefton, Meadows, Barnes, Graber, Jensen, et al.

The point score remained in Cal's favor. It was 40½ to 31½ by the ninth event, 47½ to 42½ at the 10th, and 52 5/6 to 46 1/6 through the 11th, in which Art Garcia won the two mile for SC by 60 yards, in 9:39.

### Turning Point

When the low hurdle results arrived, eight points for Troy and one for Cal, the meet swung over. At the conclusion of that event, it was SC 54 1/6—53 5/6.

Then the rumble. The discus sweep, led by Sim Iness' meet mark of 167ft. 8in.; the broad jump 1-2, led by Verle Sorgen's 23ft. 10½in.; the relay, in which Doug Huntze, Cal's best, permitted himself to be outfoxed by Trojan Jim Lea in the first lap, losing a :51.6 run by three yards, followed by Bradley's :48.3 anchor, gave Troy the relay in 3:19.6 and the meet by plenty.

Before the first gun, California Coach Brutus Hamilton was honored by 150 former trackmen who signed a scroll to their Olympic coach. Former 440 world record holder Grover Klemmer made the presentation.
