

# Decker Sprints to 9.6 Victory

Illustrated on Page 1, Part III

Jim Decker, SC's freshman speed merchant, picked up a 10-mile tail wind and roared to a 9.6 victory in the 100-yard dash yesterday as he paced the Trojan yearlings to a 74-57 track victory over Mt. San Antonio Junior College on the latter's course.

Decker, who is earmarked for a first-string tailback position on the Trojan football varsity next season, bettered the existing SC frosh record of 9.7, held by both Adrian Talley (1935) and Mel Patton (1946).
