

Shelton Leaps

6ft. 9 7-16in.,

SC Wins, 88-43

BY CHARLES CURTIS

Southern California contributed the lone meet record and supplied the year's best collegiate marks in the country in two other events as Coach Jess Mortensen's Trojans rolled up their 20th consecutive dual meet victory over Stanford yesterday at the Coliseum.

The final score of 88-43 represented something of surprise showing by the Indians who had not been tabbed for more than 40 points by even their most fervent followers.

Stanford won both hurdles, the shot-put, javelin and relay, the latter being somewhat of a gift when Mortensen kept Jim Lea on the sidelines after he earlier stepped 47.8 around one curve, the swiftest in the nation this year for 440 yards.

Shelton Soars

The meet record fell in the high jump where Junior Ernie Shelton cleared 6ft. 9 7-16in. on his first attempt.

The old mark was 6ft. 8in. by Johnny Wilson, set in 1940. Shelton's effort was just one-sixteenth shy of the season's best, by Chuck Holding of East Texas State, and had a further distinction in that only one man, Les Steers, has ever leaped higher in the Coliseum.

Shelton tried 6ft. 10 7-16in. and came very close on his first try.

SC's Des Koch contributed another top effort when he threw the discus 176ft. 8 3/4 in., best of his life by nearly four feet and the nation's collegiate leader.

Tribe Wins Shot

Any number of athletes, particularly in the distances, registered their life-time bests and the Stanfords showed especially that their marks made in previous meets this year were far below their capabilities.

The Indians started off with a minor upset in the shot-put where Al Cheney, whose best last year was 49ft. 6in., did 52ft. 4 1/4 in. for victory. Koch had his

all-time top, 50ft. 9 $\frac{1}{2}$ in., for second.

Stanford's Gerry Wood then took the high hurdles in 14.8 with SC's Will Wright nearly 2 yards back, although the unofficial second-place timing gave him a generous 14.9.

Later Jim Luttrell, the lanky sophomore, stepped a 23.5 low-hurdle flight, one of the nation's best, and good for an easy victory. Here again the second-place clocking for SC's Ron Loy, 23.8, sounded very liberal since the winner's margin was nearly 5 yards.

Lea, who had been slated for a low-hurdle start, didn't try yesterday, restricting his day's work to the 440.

Strength on Track

Southern California piled up points right on schedule in all the flat races, giving Stanford only seven digits in the six events.

Howard Bugbee was an easy double-sprint winner, 9.9 and 21.2, with Pat Coyle staying within 2 feet of him in the century. Lea actually appeared to be taking it easy in his 47.8 quarter, with Mike Larrabee running his best ever, 48.6, for second. Bill Taylor and Marty Montgomery easily took 880 and mile and Dave Bungay continued his great improvement with a 9:29.8 victory in the two-mile.

Dick Adams' powerful finish, in which he made up 25 yards on Stanford's Bob Reed in the last lap and kept right on going for a winning margin of some 20 yards and an all-time best clocking of 9:36.6, was just about the competitive highlight of the afternoon. At least it stirred the most enthusiasm from the lonesome little audience of 4000 fans.

Parry O'Brien, the world's shot-put recordholder, did 58ft. 4in. in an exhibition.
