

TWO MEET RECORDS FALL AS TROY WINS

BY CHARLES CURTIS

Southern California scored its 23rd consecutive track and field victory over UCLA yesterday at Westwood but the Bruins pulled a couple of surprises and made the final score

somewhat closer than anticipated.

The count was 79-52, and the improved Bruin performance was largely because Sophomore Russ Ellis beat the favored Trojan 440 star, Mike Larrabee, twice.

Close Finishes

First time was in the open quarter, Russ winning by a plunging eyelash in 48.5, and next time was in the relay where Ellis started with a yard margin and increased it by a yard on the anchor leg. This Bruin relay win, in 3:15.1, shared honors with the 440 for the day's high-mark of thrills, and was only a tenth of a second off the meet record. Ellis was clocked in 47.4 for the anchor.

Two meet records fell. Bruin Bobby Seaman easily took the mile in 4:12.2 (staying out of the 880 to be fresh for the relay) and Trojan Fernando Ledesma was an impressive two-mile victor in 9:09.5, fastest collegiate race of the year. Ledesma easily beat Bobby Hunt in their big duel.

Arnett Injured

Trojans sparkled in a number of instances with the pole vault and shot-put performances outstanding. Walt Levack scaled 14ft. 6 5/8in. and Bon Morris 14ft. 2 1/2in., a best for each. Ray Martin pitched

the shot 56ft. 9 $\frac{1}{2}$ in., his best, on his final try, after Bruin Don Vick had led early in the event.

SC had one costly injury, Jon Arnett pulling a thigh muscle while broad-jumping after he had cleared 24 feet twice, fouling by a narrow margin each time.

The meet was delayed an hour to give the track time to dry out but the pole lane remained somewhat muddy.

Frosh competition was postponed until 3 p.m. Tuesday at UCLA.
