

INDIANS TROUNCED BY TROJANS, 80-51

BY CHARLES CURTIS

Southern California's brawn was too much for Stanford's speed yesterday as the Trojans captured an 80-51 decision for their 23rd consecutive track and field dual meet victory over the Indians.

In a program of consistently thrilling competition on the Occidental College running paths, the Indians won every individual event on the track except the two-mile.

But in the field events it was another story as the Trojans swamped their foes, sweeping shot, discus and pole vault.

And the Trojans even

proved that their behemoths can run faster than the Indians.

After the meet was concluded, four Trojan weightmen, whose combined poundage totaled 971, outsped four Indians, who could boast only 880 pounds, in a four-man 440 relay which was a hilarious highlight of the afternoon and should be a feature of every track meet.

The Trojans (Dick Bronson, Carl Self, Jack Egan and Rink Babka) were timed in 47.2.

The Indians finished well back.

Four meet records were

eclipsed, three by Indian runners who also bettered two of their all-time university records.

Cobb Sizzles

Chuck Cobb, a Stanford hero with victories in both hurdles, flashed over the highs in 13.9, fastest mark in the world this year, for one of the two top marks of the day.

He beat Bob Lawson and Charley Dumas by a couple of yards in the highs as the latter stepped to the fastest race of his career and nearly caught Lawson for second.

Cobb's mark was one of the Stanford records, Sam Klopstock holding the old one at 14.1 set 23 years ago. Bob Mathias had a 13.8 mark for 110 meters, but this was never listed as a Stanford record for the 120 yards, although it is actually slightly longer.

The other top effort was a 4:06 mile by Norm Lloyd, a 24-year-old London-born runner who moved to Vancouver 18 months ago before enrolling at Stanford.

Lloyd upset a fellow Canadian running for SC, Wes McLeod, with a stronger last-lap kick after McLeod led with a 3:06 at 1320.

Lloyd's time is the second-best run outdoors this year. This, too, was a Stanford record.

Truex Triumphs

Sid Wing of the 1957 SC team saw two of his meet records fall, in the mile and also the 880, where Ernie Cunliffe of Claremont held off Wayne Lemons, SC soph, for a 1:51 time. This was only a tenth off the great Ben Eastman's Stanford school record.

Max Truex of SC accomplished the other meet record, outstepping Maury Graves in the last lap for a 9:04 two-mile clocking.

Stanford's Dean Smith was a double sprint victor, taking the 100 with a plunging finish from SC's Dave Hollingsworth.

Babka, tossing the discus on a fully surveyed and level

field, could do only 180ft. 3in. and Dumas high jumped only 6ft. 6in., both disappointing marks.

SC out-tallied its foes, 45-0 in the field, while the Indians were winning on the track, 42-35.
