

Troy Trackmen Easily Whip Bruins, 78-53

BY JOHN DE LA VEGA

Applying terrific pressure from the start, SC's tracksters cracked UCLA's forces wide open and romped home with their 79th consecutive dual meet without a loss before some 8000 fans at East LAJC yesterday, 78-53.

The Trojan freshmen also trimmed the Westwood yearlings, '66-64, and the SC weight men routed the Bruins in a special riotous 440 "rumble relay" to complete the sweep.

SC took 10 of the 15 events and set three meet records in the process. George Roubanis of Greece was UCLA's only record performer with a 14ft. 8 $\frac{1}{4}$ in. pole vault.

Pattern Set

The pattern was set early. Troy's Rink Babka spun the discus 184ft. 1 $\frac{1}{2}$ in. for a meet standard and teammate Jack Egan did 177ft. 9in., which Bruins Rafer Johnson and Duane Milleman couldn't touch. Both did well, 169ft. 6 $\frac{1}{2}$ in. and 160ft. 8in., respectively. This was expected.

Then came the shockers.

Davey Davis, the hulking soph, set what must be a world record for putting the shot with a sprained wrist when he did 58ft. 1 $\frac{1}{2}$ in. on his very first try. Milleman and Rafer did okay, the former getting 55ft. 6 $\frac{1}{4}$ in., his all-time best, but Davey was obviously out of reach.

Rafer gave Westwooders a temporary lift when he heaved the javelin 230ft. 10in. for a first, but once the track events got under way UCLA was in trouble. After four events they'd had it.

Trojans Bob Shankland, Wes McLeod and Maxie Truex raked in the expected
