

Kansas Leads NCAA Qualifying; Oxy Places 5; Hammer Mark Set

LINCOLN, Neb., June 12 (AP)—One new meet mark was fashioned and favored Kansas' Jayhawks, seeking their first team title, made a powerful qualifying start in the 38th NCAA track and field championships today.

The only new record came in the opening test of the two-day program at the University of Nebraska's memorial stadium as John Lawlor of Boston heaved the hammer 207ft. 5in.

Shatters Mark

It broke the former meet mark of 195-3 set by Bowdoin's Bill McWilliams in 1956.

Defending low hurdles champion Charlie Tidwell and sprinter Paul Williams led Kansas to qualifying berths in eight of the 14 events.

Coach Bill Easton's big eight champion Jayhawks qualified 12 men, far ahead of San Jose State, which advanced six. Next with five qualifiers each were Big Ten champion Illinois, Oklahoma and Occidental.

Tidwell easily qualified in

the 220 lows and also won his 100-yard dash head. Williams won his heats in both the 100 and 220 dashes while Jayhawk athletes also led the qualifying in the broad jump and javelin throw.

Finals in 18 events will be held tomorrow.
