HONOLULU, April 11 (AP)—Olympic veteran Bill Nieder put the shot 63ft. 8½ in.—6½ in. farther than the world record—in an exhibition for the Olympic fund today.

Parry O'Brien set the record at 63ft. 2in. and Dallas Long, now an SC freshman, recently tied it.

Nieder had 12 tosses between 61ft. 2in. and 62ft. 9in.

TEMPE, Ariz., April 11 (UPI) — SC freshman Dallas Long of Phoenix tonight unofficially bettered the world shot mark twice.

Long, a 260-lbs. 6ft. 5in. 18-year-old, threw the iron ball 63ft. 10in. and 64ft. 2in. The official mark is 63ft. 2 in. held by Long and former SC star Parry O'Brien.

Long's throws were in an exhibition at a high school track meet.
