

Long Explodes Shot Put 66ft. 7¼in.

BY AL WOLF

FRESNO — Dallas Long celebrated the recent birth of a second daughter by smashing his world shot-put record into little pieces at the West Coast Relays here Saturday night. And with a sore foot yet.

Making his first competitive appearance since a 200-pound gym weight fell on his left foot, April 28, the 23-year-old USC dental student did 66 ft. 7¼ in. on his second effort, thereby adding 7¾ in. to his pending world mark.

Felt in Mood

Earlier this year, Dallas got off a put of 65-11½, bettering his 65-10½ of 1962, which is the listed world record.

On the way here, the 250-pound strongman, who now represents the Pasadena Athletic Assn., said his foot still ached, but that he felt in a mood "to

throw some, anyhow."

He proceeded to go 65-3, 66-7¼ and 64-11, then passed up his last three chances because of the Coliseum Relays coming up Friday evening.

Meet referee Cap Haralson reported that Long's shot actually weighed a fraction of an ounce more than the 16-pound minimum and that the landing area was higher than

the ring level. The ring does not have the raised rim required by international rules, but Haralson said records made from this type of ring have been accepted in the past.

This was by no means, though, completely a Dallas Long show.

Darel Newman of Fresno State tied the listed world record of 9.2 in the 100-yd. dash (Bob Hayes

of Florida A. & M. however, has several 9.1s, performances pending for recognition).

Charley Craig, also representing Fresno State, shattered the national intercollegiate triple jump record with a multiple hop of 52 ft. 4 in., yet finished only second when Darrell Horn of the Air Force went 52-4¼.

Perfect Weather

New national junior college marks materialized when American River ran the distance medley relay in 9:53.4, Santa Ana the two-mile relay in 7:32.7 and Travis Williams of Contra Costa did 9.3 in a heat of the 100 and George Greenwood of San Bernardino equalled the 120 hurdles standard of 14 flat in capturing a preliminary race.

Perfect weather again prevailed, with aiding

wind well under the allowable limit in all cases.

Newman, who had been clocked in 9.4 five times this year, achieved his 9.2 in winning a heat. The 20-year-old junior with the balding pate likewise broke the tape in the finals, but was timed in 9.3.

Greenwood and Williams likewise came back to win in their finals — likewise in slower time than their prelims. Greenwood's clocking was 14.1 and Williams' 9.5.

Patton Erased

Newman's 9.2 erased a famous name from the meet record book. In 1948, Mel Patton of USC did 9.3 and that stood until now, though subsequently tied by Leamon King of Cal in 1956 and Ray Norton of San Jose State in 1959.
