Look Out Bruins! Troy Tracksters Rout Tribe, 94-51

BY AL WOLF

UCLA, beware!

The USC track team you'll encounter at the Coliseum in that big dual meet May 7 looked mighty tough there Saturday afternoon.

In whipping Stanford, 94-51, the Trojans posted 14 individual bests of the season, plus their two fastest relays.

The top performers were Dennis Carr and Dwight Middleton.

Carr ran the S80 in 1:47.9, quickest time in the world this year—and this with no competition whatsover because an alling Bruce Bess scratched. Carr failed to break the meet record—1:47.8 by Stanford¹ Ernie Cunlife in 1980—but took sixtenths off his own school mark made earlier this year.

Record Set in 220

Middleton tied the meet record in the 100 with 9.6, set a meet 220 mark of 21 flat and anchored the 440 and mile relay combines that produced all-time meet bests of 40.7 and 3:10.5. His mile leg was 46.7.

Two other meet records materialized and they likewise were Trojan productions—193-7 by Gary Carlsen in the discus and 52-2½ by Mahoney Samuels in the triple jump.

USC's victory, its 30th straight over Stanford, was marred, though, by an injury to Samuels, who pulled a muscle in his right thigh and had to be carried from the field.

NCAA vault champion Bill Fosdick still was unable to resume competition after hurting his knee several weeks ago.

Paul Kerry ran the 120 hurdles in 14.1 despite a 6.93 m.p.h. headwind and subsequently took the 440 barrier race in 53.1.

Middleton's 9-6 tied an ancient meet record originally set by Charley Paddock in 1921 and matched by several others through the years.

Another old timer toppled in the mile relay. In USC did 3:1 3.1 roy's 1965 team finally equaled that clocking and Saturday, of course, it was smashed into smithereens. The USC Frosh lost a companion meet to Santa Ana College '97-59, but Trobabe's I ennox Miller Wilson and Paul came through as expected. Mil ler won the dashes in 9.7 .2 while Wilson and 21 vaulted 16 feet.

HIGH JUMP-1, Heet (USC), 6-10%; 2. Parker (USC), 6-6%; 3. Warwick (S), 6-11/2, LONG JUMP-1, Vaughn (S), 24-5%; 2. Walsh (S), 24-1%; 3. Beardslee
