

# Trojans Get Scare, but Win Over Beavers

CORVALLIS, Ore. (AP)—USC's track team won the final two events Saturday afternoon and defeated Oregon State, 79-66.

At the end of 15 events the favored Trojans led by only one point, 66-65, with two events to go.

In the two-mile Chuck Schultz raced home first and Bruce Bowman placed second to clinch the meet.

Then the Trojans added a victory in the mile relay.

Oregon State stayed in contention by scoring heavily in the jumps and in the 440. There were 11 meet records set, and three field records. The teams had met only once before, last year, which accounted for some of the abundance of records.

## Running Strong

The Trojans built their margin of victory in the running events and the hurdles.

They swept the 100-yard dash and the high hurdles and took both relays.

USC remained undefeated, setting the stage for a dual meet next week with powerful UCLA.

It was the first dual meet defeat for Oregon State after four victories. The Beavers meet Oregon next weekend.
