USC Sprinters Set 'Record' Again BY HARLEY TINKHAM Deckard's closing chal-All these fancy times

Times Staff Writer

FRESNO - USC again bettered the world record in the 880 relay and UCLA's Warren Edmonson burst into the Olympic picture in the 100 meters Saturday night after some real fireworks threatened to capture the headlines in the Fresno Relays.

There was a parking lot shootout in the afternoon and a bomb scare at night. Nobody was hit in the pistol duel, and the telephoned bomb threat proved to be a dud.

The Trojan quartet of Edesel Garrison, Leon Brown, Willie Deckard and Don Quarrie blazed to a 1:20.7 clocking, a full second under the official world record of 1:21.7 set by Texas A&M in 1970.

The Trojans, who ran 1:21.1 earlier this season, will not get world record recognition since Quarrie is a Jamaican.

"We don't care," said assistant coach Ken Matsuda. "We'll be the only school in the world with school records better than world records. We think we can break the 440 relay

record, too."

Edmonson flashed to a 10.0 clocking in the 100 meter, only one-tenth of a second off the world record as he won by 4 feet. over USC's Willie Deckard and ex-California star Eddie Hart, both timed in 10.1. Hart and Edmonson also ran 10-flat in their heat, Hart winning nar-

Nobody has run faster than Edmonson since 1968 when Jimmy Hines, Charlie Greene and Ronnie Ray Smith all ran 9.9 to claim a share of the world record. Russia's Valeriy Borzov

is the future book favorite in the Olympic 100, but UCLA coach Jim Bush said before the season. "I'll bet he doesn't win. We'll find someone to beat him. Don't ask me who, but we'll find him."

It may turn out he doesn't have to look very far. Edmonson was the real goods Saturday night. He was first out of the blocks. steadily increased his margin and easily withstood

lenge.

The 5-9, 145-pound senior came back to run a 45.5 leg in the mile relay as the Bruins won in 3:04.4, their best of the short of the world record of 3:02.8

The Bruins had quite a night as they tuned up for next weekend's Pacific 8 championships at Stan-ford and the NCAA championships at Eugene, Ore. June 1-3:

Charlie Rich won the high hurdles in 13.6, handing the Striders' Tommie Lee White his first outdoor loss of the year, and Milan Tiff went 53-2 in the triple jump for third. Rick Fletcher cleared 7-0 again in the high jump to place second to Otis Burrell. who cleared the same height

Al Feuerbach's anticipated explosion in the shot put, just like the bomb threat, failed to materialize. The Pacific Coast Club strongboy settled for 69-0, well under Randy Matson's world record of

The night's most decisive winners were two men who are ineligible to compete at Munich, South Africa's Fanie Van Zijl and John Van Reenen. Van Zijl, running his last

lap in 53.4, won the 1,500 meters by 30 yards in 3:39.7, equivalent to a 3:57 mile. The massive Van Reenen beat world record holder Jav Silvester by almost 13 feet in the discus, setting a meet record of

The meet, conducted on a warm, almost windless evening before 15,000 fans. produced some remarkable clockings. Lee Evans had a 44.6 leg in the mile relay and Hugh Brown and Wayne Collett of the Striders ran 44.8 and 45.0, respectively. Evans earlier won the

440 in 45.2, easily overtaking early leader Collett, who gave up second to Brown at the wire.

came on good, old fashioned dirt, the sandy clay

of Ratcliffe Stadium. In the age of synthetic tracks, there may still be hope for mother earth. The bomb scare?

The public address an-nouncer told the crowd that a threat had been phoned to the stadium but that police had searched all public places and found nothing. He said fans were free to leave, but added:

"There will be no re-funds on tickets." Nobody left INVITATIONAL
