

USC and UCLA, looking forward to their May 4 showdown at the Coliseum, both scored decisive victories Saturday in a double dual track and field meet at Stanford.

USC beat California, 93-52. UCLA defeated Stanford, 99-46.

Both the Bruins and Trojans held out some key performers. Benny Brown and Maxie Parks did not run the 440 relay with UCLA and Gordon Peppers, coming off an injury, did not run the 220.

All three ran in both relays, however. Peppers anchored the 440 relay team to a 40.0 victory and Parks and Brown had respective clockings of 45.8 and 45.9 in the mile relay, won by the Bruins in 3:08.7.

USC was minus sprinters Guy Abrahams and David Thomas, distance runner Steve Brown, long jumper Randy Williams and shot putter Mike Budincich.

Top marks for the Bruins were 63-3 in the shot by Jim Neidhart, 184-7 in the discus by Roger Freberg, 52-2 in the triple jump by Clarence Taylor and 7-0 in the high jump by Rory Kotinek.

Best of the Trojan marks were 9.5 in the 100 by

Mike Shavers, 16-6 in the pole vault by Robert Pullard, 233-6 in the javelin by Mike Helsby and 7-0 in the high jump by Jerry Culp and Dean Owens.

"Pullard had two real good tries at 17 feet," said USC coach Vern Wolfe. "He should have had it."

California upset USC in the 440 relay, running 40.4 to Troy's 40.6.

"With Randy Williams out," said Wolfe, "we used Armand Ross on the first leg and he and Greg Jones messed up the first pass. We must have been 8 or 10 yards behind."

Shavers, after winning the 100, was upset by Cal's Sammy Burns in the 220. Burns ran 21.0, Shavers 21.1.

"Mike just let him get away on the turn," said Wolfe, "and he couldn't get it back. He's a freshman and he's still learning."

Wolfe didn't know the final score until he got back to Los Angeles and called The Times.

"We were on a tight schedule," he said.
